1. Everything going as planned, just need volunteers
2. Please sign up! We have an hour 30 minute slot, you can walk or run. Would love SGA to sign up and be there and show out if we can. November 12 we will be doing an event or something. If anyone can put flyers in the Village or North/South Hall that would be great!

B. Eshaal: Blood Swab Drive

1. Last meeting we talked about this but I finally sent out the volunteer sheet.

It is on the agenda. If you'd like to volunteer, please fill out the sheet by **Monday, Oct. 26**. If you are interested in volunteering, that is awesome and great. I plan to make a gchat for the volunteers, and I hope you are all interested.

2. Blood Swab Drive Volunteer Sheet

VII. New Business

A. StarRez Instructional Resolution - Passed

1. Author's Rights by Senator Otto: Luke presented this idea to me after the Town Hall meeting and speaking with Daryll McGee. We have had issues personally with maintenance. I think everyone has had a problem at least once. We finally got someone to come to our room after we submitted a request through StarRez, which Luke helped me with. RAs should be able to tell students and have meetings that tell students how to actually submit these requests
2. Senator Eli: I want to say I know a dude who had his AC leaking on the South Hall carpet and it took 1-2 weeks to have that handled because he didn't know how to use StarRez so this would be so excellent to implement.
3. Senator: How often would this be taught? The issue is some people dont use StarRez because they dont know how. Would this be a monthly meeting?
    a) Senator Otto: I think the first floor meeting of the year. The RA is supposed to have these meetings and give important information and I feel like this is something that needs to be known
4. Senator Nikki: Can we play the video?
    a) Senator Otto: That's good with me
5. *No further questions or comments. No amendments. Motion to enter voting procedure, seconded.*

B. Halloween Costume Statement - Passed

C. Author's rights by Will Spratt : I don't know if you can tell but this is the first statement I have ever written. I wanted to wear my costume and I thought it

would be fun for others to do as well. I do want feedback during Q&D about Thursday or Friday for a campus wide event.

D. Graydon: Thursday may be better. A lot of people don't have classes on Friday and it's best to have something more widely participated in and this is a great proposal.
    1. Will Spratt: Thank you!
E. Divija: would we be allowed to wear them during the senate meeting? But also campus wide?
    1. Will Spratt: The meeting will happen Thursday and the second part is also a proposal for campus wide
F. Michael: I want to participate, I really do. I have no money and I can't get a Halloween costume. What can I do?
    1. Will Spratt: You can get a sheet and cut holes and be a ghost.
G. Senator: BCM is having silent disco night and wearing costumes on Thursday so it would be a good idea to do that on Thursday.
H. Ali: I'm confused. Is it required?
    1. Will Spratt: No, just for fun
I. Hector: If we have it on Thursday, I think we need to keep the business casual of the meeting itself for business casual attire.
    1. Will Spratt: Okay
J. Braxton: I think you don't have to be business casual and it's a good idea. Someone should make an amendment that it needs to be appropriate and something you would wear in front of your parents.
K. Senator: Maybe we should do campus wide on Thursday and only Thursday.
L. Ali: Thursday would be better than Friday so people don't think we are weird during the Senate meeting.
M. Senator: I am confused by what we mean by appropriate. Business casual and costumes would be different. Is it business casual attire or just costumes? Do we have a set standard besides business casual?
N. Braxton: Everyone has a good head on their shoulders and I think even in purple or blue, the recommendation was just to be smart. Again, something you wouldn't

mind wearing in front of your parents. Don't wear anything that would stir controversy or would be inappropriate. Just be smart. But if there is something you want to put in the statement we can do that.

O. Vice President Julie: I am almost absolutely certain almost everyone has been at the treat or in the slideshow so please abide by that. To play off what Braxton was saying - keep going with the dress code we have going forward.

P. Senator Eli: I just sent an Amendment.

Q. Vice President Julie: We are still in Q&D but will go to amendments.

1. *No further questions or debate.*
2. Vice President Julie: Any amendments?

R. Graydon: I also sent in amendments.

S. Eli's amendment - Passed

1. The UA Little Rock Student Government Association would like to, in recognition of the success of Senate, Committee, Executive, and Judicial meetings, celebrate by wearing appropriate Halloween costumes for the meeting that will be held on Thursday, October 29, 2026. Appropriate is described as non-controversial and unrevealing costumes. "

T. Graydon Amendment - Failed

1. "Change "Friday, October 30th, 2026" to "Thursday, October 19th, 2026""

U. Graydon Amendment - Passed

1. "Change "Friday, October 30th, 2026" to "Thursday, October 29th, 2026""

V. Will Spratt: Can I make a comment? Point of information - a lot of students don't look at the SGA account so please spread it by word of mouth. Hey Carlee, thank you, you're the best. But word of mouth is also cool.

W. *No further questions or comments. No amendments. Motion to enter voting procedure, seconded. Passed.*

VIII. Executive Reports

A. ~~Dean Harper~~

B. Julie Magaña

1. Executive Meeting - 201A
2. A really special announcement to make! Senator of the Month (September), we will continue to do this to the end of the year. Please stand up when I call your name: Divija, DJ VJ! Wonderful, the reason she was picked by exec is because she has done so much work in all her committees. She has passed lots of legislation and done a great job speaking up in meetings and is what we want our members to work towards. Phenomenal example of SGA. Thank you divija for being awesome. Braden would flip.
3. Just got done with a parking meeting. Parking Garage Update. Needing group support. If interested and passionate about parking, I would love, love, love you to send me a gchat for when others hopefully support when we meet with admin. They want to increase the parking pass to $10 but have unlimited free parking in the garage
    a) Senator: Are the people meeting in support or against it?
        (1) Vice President Julie: This is really more to be more transparent to students in regard to parking. This is more something that will probably be done next year. If there is a better idea or solution we would love to hear that.
    b) Lashaunte: are there any documents from the free year vs what they are doing now that we can see the statistics of the differences of the years?
        (1) Vice President Julie: This has not been implemented yet, but an idea to give commuters options for parking and such. I am not locked in on statistics, not a commuter. But if you want to be in that group I would love to put you in and have you
    c) Ella: Do you have to have a parking pass to park in the garage?
        (1) Vice President Julie: Yes.
    d) Rashid: What is so good about the parking structure to increase paying passes?
        (1) Vice President Julie: I thought they were charging already but apparently they are not
    e) Lashuante: Spring 2025 it was free but Fall 2025 they started charging. Now additional charge to make it free but it was free before. With this group it's mainly to get more information in cahoots with admin. This is not set in stone but maybe we can get better clarification and if you are interested please message and you can take questions and answers to legitimate things or there.If you have questions after the meeting you can meet with me and I

can answer to the best of my ability but this was the first meeting we had and there will be more.

4. November 5th Senate Meeting

1. Current Budget Update SGA Budget Report 26 - 27
    a) Just over 9,000 spent. We have more than $7,000ish left. Two things. One, great job. We have an active senate and doing a great job. We are using money. We still have special events plans and the banquet so be very aware about what money you want to use. 7,000 is a lot but can dry up quickly.

Confirmation from Julie? BOth: The cap is 8. Fill out the calendly link and reserve the time because we want to know you are there and dont want 2 people at the desk at the same time. If you are interested, please fill this out and complete the link. Looking forward to seeing who comes after me. Important to note the ASC will help with the decision process - but the final decision is Ainsley because it is the president's right to choose who they want.
