Test before you come in

State law requires that you are placed into your math and writing courses based on your ACT/SAT/Compass test scores. At UALR, an ACT score <21 in your math and/or <19 in writing or reading requires your enrollment in a respective prep class.

If you believe this is an area of strength, all students have the option to take another placement test at UALR. Call to confirm, but most tests are available Monday-Friday (8:30am-3:00pm) in Testing Services, SSC 315.

NOTE: Each test is $10, payable by exact cash, Visa or MasterCard, or a check/money order. Photo ID required. Call 569-3198 or go to ualr.edu/testing for more info.

How to Register in BOSS

View registration dates, check account holds, check financial aid status, view your grades, update personal info, and more in BOSS.

- LOG-IN. Sign in to BOSS at boss.ualr.edu. Your User ID is your T# and your PIN is sent via mail on your Admissions Letter OR can be quickly reset by clicking on Forget PIN. Read the key dates and select Click Here to Continue.

- SEARCH FOR CLASSES. Under the Student Services tab, click on Registration and then Search for Classes. Open the search form, select the Term and Submit. Select the Department and type in the Course Number. At the bottom of the page, click on Class Search. HINT: Open up several tabs with this search menu so you can see all of your options.

- ADD CLASS. Once you’ve found the right class, select the box next to it and click the Register button at the bottom of the page. If there is a “C” and no box, the class is full. NOTE: If you see a STOP sign, read the warning to see why you could not register. If possible, address the issue and register for it again.

- PRINT SCHEDULE. Under the Student Services tab, click on Registration again. Select Student Schedule by Day & Time (or Student Detail Schedule to see more detail). Enter the date for the first Monday of classes in the Go To box and click Submit. When your schedule appears, print it.

Alternatively, if you use the CLASS SEARCH function from boss.ualr.edu, follow the 3 steps and click Search. Under the Student Services tab in BOSS, select Registration and click Add/Drop Classes. Input the CRN’s for the classes you have chosen in the boxes and click Submit to register. This method is best used for non-peak registration periods.
