

New, exciting professional development opportunity!

Apply online now!

Dear AP or Pre-AP Educator:

The Arkansas AP Professional Development Center at the University of Arkansas at Little Rock has a new professional development certificate program designed for educators who want to develop their knowledge of the Advanced Placement Program and their content specific teaching skills in the AP and Pre-AP classroom.

The UALR professional development certificate program in Teaching Advanced Placement (TAVP) is one of three such programs nationwide. Be the first in your district to participate in this exciting and new opportunity. Apply on line to be part of the first cohort to complete the program.

What is the TAVP Professional development Certificate Program? It is a 4 course, 12 graduate credit hour professional development certificate. It is not a teaching license, but rather a sustained professional development program that assists you in honing your skills in the rigorous and challenging environment of Advanced Placement.

How is the program offered? The UALR TAVP Professional Development Program is offered through web-enhanced courses that you can complete from home and at the UALR AP Summer Institutes. In other words, the program is designed for busy teachers who are currently teaching or preparing to teach in Pre-AP and AP classrooms in their schools.

What are the benefits of the TAVP Professional Development Certificate Program?

Arkansas is committed to offering a minimum of 4 AP courses in every high school. The TAVP Professional Development Certificate Program puts you in touch with instructors and practicing AP professionals who have the knowledge and experience to assist you in developing your program and your content specific teaching expertise. Through instruction, mentoring, coaching and networking with your fellow Pre-AP and AP colleagues, the TAVP Certificate Program provides sustained support so that you have an enjoyable and successful teaching experience.

How do I apply? Go to the UALR website at www.ualr.edu and hit the admissions hotlink. Follow the links to apply for the Graduate Certificate in Teaching Advanced Placement Program (TAVP-GC).

What if I have more questions? Contact Dr. Ann Robinson, Director, Arkansas Advanced Placement Professional Development Center, at aerobinson@ualr.edu. We look forward to working with you!
