Dr. Jeffrey Gaffney
Department Chair
University of Arkansas at Little Rock
2801 S University Ave
Little Rock, AR 72204-1000

Dear Dr. Jeffrey Gaffney:

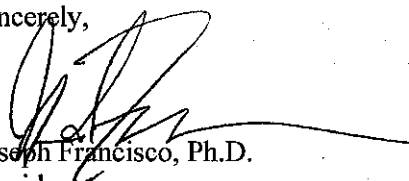

I am very pleased to inform you that the American Chemical Society (ACS) student chapter at the University of Arkansas at Little Rock has been selected to receive Honorable Mention Award for its activities conducted during the 2009-10 academic year.

For the 2009-10 academic year, over 360 reports were submitted and The Society Committee on Education presented **36** outstanding, **68** commendable, and **113** honorable mention awards. Lists of award winning chapters will be published in *Chemical & Engineering News* and in *inchemistry*, the student member magazine. The award winning chapters will also be honored at the 241st ACS National Meeting in Anaheim, CA on Sunday, March 27, 2011.

Professor Jerome Darsey, faculty advisor of the chapter, deserves special commendation. Few faculty members are willing to make the great commitment of time and energy that a successful chapter requires. Professor Darsey's efforts certainly represent the best in undergraduate science education and mentoring around the country. We extend our warmest congratulations to the students and Professor Darsey for setting such a fine example for other chapters and being exemplary chemistry ambassadors!

If you have any further questions regarding ACS Undergraduate Programs, please contact Nancy Bakowski, ACS Undergraduate Programs Office at 202-872-6166; or n_bakowski@acs.org.

Sincerely,

Joseph S. Francisco, Ph.D.
President
American Chemical Society
