

CURRICULUM PLAN FORM
University of Arkansas at Little Rock - Graduate School
Master of Education (M.Ed.) - Learning Systems Technology (LSTE)

Student Name _____ ID NO _____

Address/zip _____

Telephone (h) _____ (o) _____ Date admitted _____

Instructions for this form: In the space to the left of the course name enter the number of credit-hours for any courses not yet completed and which is a component of the student's program of study. Enter a grade to show credit for courses already completed. Enter a W for a requirement which is waived or a T for transfer credits.

Program Requirements

The master of education in Learning Systems Technology requires a total of 36 graduate credit hours, including 9 Educational Foundations hours, 18 Learning Technology hours, 3 elective hours from the areas of Foundations, English writing, Learning Technologies or other content area approved by the adviser, plus a comprehensive examination or alternative exit requirement, *i.e.* a portfolio. No more than six hours of workshop credit will be accepted in the program.

Students must satisfy graduation requirements stated in the Academic Rules and Regulations section of the Graduate Bulletin and additional program requirements found under the College of Education. The University reserves the right to modify policies and programs of study by supplying students written notice of the change.

Educational Foundations Required Courses
