## UALR HOUSING INFORMATION

### Hall descriptions:

**WEST HALL:** UALR's newest residence hall for freshmen will open in August 2011. A women's building and a men's building, each housing 180 students, are connected by a shared lobby. The six story buildings have shared bedrooms containing twin beds, desks, wardrobe closets, private hall baths, and a vanity sink. Each floor has laundry, kitchen, living room, and study room for the exclusive use of the residents of the floor.

**EAST HALL:** UALR's first residence hall that opened in 1992 is a five-story coed, suite style hall. Four students share two bedroom suites that include a kitchenette and private bath. Mostly freshman and sophomores reside in East hall and enjoy common lounges, a recreation room with pool table, and a common laundry room. A limited number of private bedrooms will be available beginning Fall 2011 as we begin the process of converting East Hall to single rooms with full size beds.

**NORTH & SOUTH HALLS:** Apartment style living came to UALR in 2006 with the opening of North and South Halls, Two and four bedroom units boast full kitchens along with washer and dryer in every apartment. Some freshmen scholars along with upperclass students with a minimum 2.5 GPA and 30 completed hours are eligible for North and South Halls.
