

# Weekend **MBA**

You have always had the motivation.  
Now you have the time.

Begin Here:

# Weekend **MBA**

There has never been enough time.  
Until now.

# Earn an **MBA** on the **Weekends.**

Now you can get the MBA you have always wanted from a quality business school -- **no night classes, no missing work.** The **Weekend MBA** meets one Saturday a month in class; the rest is conveniently delivered online.

The **Weekend MBA** features the same faculty and curriculum as our traditional evening program; however, the **Weekend MBA** incorporates a **healthcare** focus. Electives will feature healthcare industry topics and core courses will incorporate healthcare topics throughout the curriculum.

# Convenient

You have the drive and the motivation to be successful, but getting the advanced education needed is just out of reach due to work and family demands. Not anymore. The Weekend MBA at UALR is offered in a blended format; one Saturday a month in class, the rest conveniently delivered online. Now you can balance the rest of life's demands while pursuing your degree.

# Contemporary

Recently redesigned from the ground up with input from published research and central Arkansas business leaders, the Weekend MBA program offers the right blend of hard and soft skills needed for business. The program will help you overcome your weaknesses and maximize your strengths through an individualized leadership skill development plan.

# Career-changing

The applications-based learning found in the Weekend MBA will allow you to learn relevant, timely material that you can use now and that will give you a competitive edge for the future. The team-based approach will allow you to develop priceless friendships and build a powerful network of fellow healthcare professionals.

# Challenging

While the Weekend MBA program offers a schedule that works for you while you work, make no mistake about the rigor and intensity of the academic experience. It's compressed, it's challenging, and it will change the way you view business. The program's robust, integrated MBA curriculum will give you the edge you need to excel in your professional life.

# Curriculum

- Three foundation courses (3 credits)
- Ten traditional core courses (24 credits)
- Two behavioral courses (2 credits)
- Two electives (6 credits)

# Cost-Effective

When you consider quality, price, and convenience, the Weekend MBA may be the best educational value in Arkansas. The program cost, \$25,000, is all inclusive meaning **you do not have to worry about the cost of books, extra fees, or even lunch on class days; it's all included.** Plus, you pay as you go one semester at a time.
