

## **Application Procedures for UALR academic programs: International Exchange Students**

To apply to UALR as an international exchange student, go to the following website: [www.boss.ualr.edu](http://www.boss.ualr.edu) Click on "Apply for admission", at the next page, click on "First time user account creation". An application identification number (beginning with the letter "G") will be assigned to you, and you will be asked to create a PIN (personal identification number). Please write these numbers down so that we may assist you with you application in the future. When asked to select an application type, choose option "**M INTERNAT UNDERGRAD TRANSIENT.**" When asked to identify your immigration status, choose "**Non-resident alien.**" Complete the application, and you will receive a letter from UALR with your student identification number (a number beginning with the letter "T") requesting any additional information necessary for you to be admitted.

### **School codes:**

If you are an **international student**, please enter **ZZ9999** for the **high school code**.

If you are an **international student**, please enter **999999** for the **college code**.
