

SRM University - India

About the University

SRM University is one of the top ranking Universities in India with over 20,000 students and 1,500 faculty, offering a wide range of undergraduate, postgraduate and doctoral programs in Engineering, Management, Medicine and Health sciences, and Science and Humanities. Its main campus is the Kattankulathur campus in Chennai.

The 250 acres campus is equipped with:

- Round the clock security
- ATM
- Post Office
- The 3-star SRM Hotel with swimming pool

- a central library
- 10 Canteens - from fast-food to full-fledged cafeterias spread throughout the campus
- Retail outlets - Higginbothams book store, Airtel phone booths, Reynolds teller machines, Reliance Web world with Java Cafe - all within the campus
- Prayer halls for all major religions.

Walking and cycling are the most popular ways to get around the SRM campus. The SRM group runs a fleet of buses for transporting students to and from the city and to other areas. Public transport buses and trains also ply to points near the campuses.

About Chennai

Chennai, formerly known as Madras is the capital city of the Indian state of Tamil Nadu. Chennai is the fourth most populous metropolitan area and the fifth most populous city in India located on the Coromandel Coast of the Bay of Bengal. The urban agglomeration of metropolitan Chennai has an estimated population of over 8.2 million people. The city is India's second largest exporter of software, information technology and information-technology-enabled services. A major chunk of India's car manufacturing industry is based in and around the city. Chennai Zone contributes 39 % of the State's GDP and accounts for 60% of the country's automotive exports. Chennai is an important center for Carnatic Music and hosts a large cultural event, the annual Madras Music Season, which includes performances by hundreds of artists. The city has a vibrant theater scene and is an important center for the

Bharatanatyam, a classical dance form. The Tamil film industry, one of the largest film industries in India, is based in the city; the soundtracks of the films dominate its music scene.
