By submitting this form I request to have the eligible transfer credit specified on this form to be posted to my academic credit at UALR. I understand that having technical and military credit posted to my UALR academic record does not guarantee it will meet degree program requirements, and that may cause me to accumulate total earned hours that could result in the loss of financial aid or scholarships for which I may be eligible now or in the future. I understand that the courses I am requesting to be posted on my UALR academic record will not be removed once they are posted even if I change my major and the courses do not meet the program requirements of the new major.
