### TOTAL HOURS REQUIRED FOR THE DEGREE 120 5

### TOTAL HOURS OF THE ASSOCIATE OF SCIENCE IN BUSINESS 62

### CREDIT HOURS

1. Credit hours are subject to change based on the ASU-Beebe and UALR curriculum.
2. This plan is designed for students interested in a business major.
3. Prerequisite courses must be completed before enrolling in these courses.
4. Official degree plans are based on the most current course offerings.

7.1.16
THIS SHEET IS FOR INFORMATION PURPOSES ONLY. YOU MUST DECLARE A BUSINESS MAJOR TO RECEIVE AN OFFICIAL DEGREE PLAN. THE OFFICIAL DEGREE PLAN WILL SUPERSEDE THIS SHEET. Please check current catalog for prerequisite courses.

1 See your advisor at ASU-Beebe for degree and graduation information.

2 UALR transfer course designations are either guaranteed by ACTS (acts.adhe.edu) or have been approved as a substitution by UALR. Unless otherwise noted, courses for which no UALR equivalent course is listed would transfer in as elective credit.

3 Students completing the Associate of Science in Business degree requirements, as shown above, with minimum 2.25 cumulative GPA and a grade of C or greater in Composition II and College Algebra, will have satisfied the UALR Lower Level Core requirements and will be admitted to the College of Business and the Bachelor of Business Administration degree program as a junior.

4 For more specific information about degree requirements within the junior and senior years at UALR, please review the UALR Undergraduate Catalog (http://ualr.edu/catalogs/undergraduate-catalog) and consult your UALR academic adviser.

5 This degree program requires a total of 120 semester credit hours, including at least 45 upper level credit hours completed at UALR.

6 The Career Catalyst program is a co-curricular degree requirement of College of Business majors. All students take BSAD 2010, Introduction to Career Catalyst upon declaring a major in the College. Over the period of their College of Business coursework, students must complete at least one activity in each of five career development areas. In the semester a student applies for graduation, he or she also registers for BSAD 4010, Career Catalyst Completion to have their activities certified.

7 For completing your degree and ease of transfer, UALR prefers BUS 1013, Introduction to Business for your elective.

8 The UALR business core requires students to demonstrate proficiency with use of information technology through testing.
