BUSINESS PROGRAMS  
2019

## Select a Degree in Business Information Systems (BINS)

**UA  
LITTLE  
ROCK**

### BINS Programs in the College of Business

- ❑ Online, face-to-face, and hybrid degree and certificate programs are cost-effective and flexible.
- ❑ Cost of degree and certificate programs are comparable to other programs in Central Arkansas and surrounding areas. Students from surrounding states pay in-state tuition.
- ❑ Degree and certificate programs can be customized to meet the needs of students.
- ❑ All business programs are AACSB accredited.
- ❑ All BINS programs are STEM registered.
- ❑ Students benefit from the metropolitan university focus through strong partnerships with business and community.

### When you Enroll...While a Trojan

- ❑ **Funding:** Apply for scholarships (university scholarships, the Arkansas Academic Challenge scholarship, and College of Business scholarships).
- ❑ **Career Catalyst:** College of Business programs focus on career & professional development (career workshops, interview coaching, and resume writing).
- ❑ **Work-study programs:** You can receive funds earned through part-time employment.
- ❑ **Students services:** Programs are provided to meet specific needs: advising, tutoring, success strategies, and funding text books.
- ❑ **Paid Internships:** Through our partnerships with the business community, many of these opportunities translate into full time employment.
- ❑ **Mentorship program:** Opportunities are available for qualified students to engage with business executives.

### After Graduation...Always a Trojan

- ❑ **IT Careers:** Projected to grow 13% from 2016 to 2026, faster than the average for all occupations. (Bureau of Labor Statistics)
- ❑ **IT Salaries:** The median annual wage for IT professionals in analyst, database, programming and support positions was \$81,000+ in 2017 (Bureau of Labor Statistics).
- ❑ **Graduate Studies:** All BINS Department programs are STEM registered:
  - ⑩ Master of Science in Business Information Systems.
  - ⑩ Graduate Certificate in Business Analytics.
  - ⑩ Graduate Certificate in Business Information Systems.
