ORIGINAL DATA COLLECTION PROJECTS

2021-2024 **Co-Investigator:** Hate Crimes against the LGBTQIA+ Community in Arkansas.

This project aims to understand hate crime victimization against LGBTQIA+ individuals living in the state of Arkansas. With a qualitative methodology, we seek to understand LGBTQIA+ individuals experiences with victimization, impact of victimization on mental/physical health, types of resources available, interactions with law enforcement, and perceptions of Arkansas legislation.

Co-investigator: Dr. Tusty ten Bensel (Advisor)

2021-2024 **Co-Investigator:** Anti-Sentiments against Muslims in Arkansas.

The purpose of this research is to better understand the impact of hate crime victimization among Muslim individuals living in Arkansas. Specifically, this research aims to understand how hate crime victimization impacts a Muslim individuals self-identity, mental and physical health.

Co-investigators: Dr. Tusty ten Bensel (Advisor), Dr. Robert Lytle (Advisor), Lacey Roughton (Co-Author)

2021-2023 **Co-Investigator:** Service Dog Utilization and Experiences with Victimization.

The purpose of this project is to examine the experiences of individuals who utilize a service dog. Specifically, we aim to understand individuals' interactions with others, self-identity, and instances of discrimination and victimization.

Co-investigator: Dr. Richard Lewis (Advisor)

2019-2021 **Co-Investigator:** Lived Experiences of Homeless LGBTQ+ Adults.

The purpose of the current study is to examine the experiences of homeless LGBTQ+ adults in the state of Arkansas. Through in-depth interviews, we seek to understand homeless experiences, the ability to obtain resources, experiences with agencies and shelters, instances of victimization, and self-identity changes while homeless.
