11:00 AM

EIT 543

### Minutes

**Members Present:** Coskun Bayrak, Jim Carr, Yupo Chan, Michael DeAngelis, Hiram Patangia

**Members Absent:** Nitin Agarwal

**Meeting called to order at 11:04 a.m. by Michael DeAngelis**

#### Announcements

*No announcements*

#### Old Business

*Approval of meeting minutes from March 17, 2015*

#### New Business

##### *CCF Review*

- CPSC 4367/5367 Mobile Apps Development – New Course

**Action:** *Approved, pending revisions*

Revisions to be made include:

- Change catalog description to be less platform (i.e. Google, Android, etc.) specific
- Change “one big project” to “term project”, and define more project details
- Make graduate versus undergraduate grading more clear
- Describe funding source for “New Devices” in the Resources section

##### *PCF Review*

- No PCFs to review

#### Open Forum

*Jim Carr described items related to the MS Construction Management program, including:*

- *The program will be Thesis/Non-thesis, 30 hours, 9 hours of transfer credit allowed (if B or better)*
- *30 hours can include 18 hours from a graduate certificate + 12 hours from construction management courses*

**Meeting adjourned at 11:38 a.m. by Michael DeAngelis**
