

How to Connect to Desktops Using a Browser

1. Open up the browser on your computer
2. Type `desktops.ualr.edu` into search bar
3. Click "VMWare Horizon HTML Access"

4. Type in your credentials which are the first part of your UA Little Rock E-mail and the associated password
5. Make sure that on the dropdown menu, student is selected.

A screenshot of the VMware Horizon login form. The form includes fields for 'Username' and 'Password'. Below these fields is a dropdown menu currently set to 'EDEN'. The dropdown menu is open, showing three options: 'EDEN', 'FACSTAFF', and 'STUDENTS'. The 'STUDENTS' option is highlighted. A 'Login' button is partially visible at the bottom right of the form.

6. Click login, here you should see your available connections as well as a list of programs that are available for you to use. Click the associated connection and or program. You will be connected to your desktop, or the program will load for your use.
