**Mail completed application and required attachments postmarked no later than April 30th to:**

University of Arkansas at Little Rock  
2801 S. University Avenue, ETAS 125  
Little Rock, AR 72204

I give my permission for the Donaghey College of Science, Technology, Engineering, and Mathematics (STEM) team to obtain information about my academic performance from high schools, colleges, and testing agencies. I give permission for the faculty/staff to give my name and address to college and employer representatives, and to use my photograph in STEM press releases. Also, I understand that completing this program will **NOT** earn me any kind of academic credit here at UALR or at the school I now attend. The outreach program only serves as an educational enrichment experience for middle and high school students. I will, also, obey all the rules for academic integrity at UALR. Should I choose to be a resident, I agree to follow all the rules and regulations of UALR's university housing.
