

HELP WANTED: Volunteer notetaker from this class

Opportunity to:

- **assist a fellow student,**
 - **enhance your resume,**
 - **and improve your notes**

Your willingness makes a tremendous difference to a fellow student!

In order to provide an equitable learning environment for all students, UALR asks that you consider volunteering to provide a copy of your class notes to a student with a disability who is enrolled in your class. You can make arrangements to meet with the student through your professor so you can work out logistics.

If you have any questions, come by the Disability Resource Center, Donaghey Student Center, Room 103, or call 569-3143. DRC will provide 2-part lined carbonless paper to the student (it is the responsibility of the student with a disability to keep an adequate supply of this paper for you to use). This way it should take no extra time on your part and notes can be shared immediately after class.

You may also want to pick up a *Notetaker Handbook*, for some good tips that will help you improve your notetaking, and potentially, your grades.

We provide letters of recommendation and recognition of volunteer service for those who wish to enhance their placement files or resumes—just let us know.

THANK YOU!
