INTRODUCTION

The School of Education (SOE) in the College of Education and Health Professions (CEHP) Student Policies and Procedures Manual (SPPM) has been developed to provide candidates with information concerning teacher education programs’ policies and procedures. The SPPM will be posted on Blackboard in every course. **Candidates will be required to provide an electronic signature affirming they have read the SPPM. This process will be explained and occur at School of Education Night. Evidence of candidate compliance with this requirement will remain on Degree Works. Additional mandated documentation will be explained and collected at that meeting.**

UALR and the School of Education reserve the right to change policies or procedures at any time without prior notice. Policy or procedure changes will be posted and emailed to students. Students are required to **read and return the email. Return of the email will serve as an acknowledgment of having read the revised/new policy. Students are required to review the UALR Student Handbook for information on university policies and procedures (ualr.edu/deanofstudents/files/2006/10/UALRStudentHandbook2015-2016.pdf).**

SCHOOL OF EDUCATION VISION, MISSION, AND GOALS

Vision
Teach, Lead, Innovate

Mission
To make scholarly and professional contributions to the communities in central Arkansas as well as the academic community more broadly. We commit our combined resources and expertise to promoting best practices in the broad range of educational contexts we represent as well as to the discovery and communication of knowledge in the field of education. We are dedicated to promoting and supporting learning communities that are diverse and equitable and that approach problem solving with both innovation and collaboration (http://ualr.edu/education/).

Goals
1. Proficiency in the AR teaching standards
2. Leadership and advocacy for diverse populations
3. Innovative best practices including technology

The UALR School of Education embraces the Strategic Initiatives of the University. (http://ualr.edu/about/home/strategic-initiatives/) Each teacher preparation program at UALR is designed for specific licensure areas and populations, and you may receive additions to this document that pertain to your specific program of study. Your adviser/instructor will provide you with directions and information to ensure onsite learning experiences that focus on the attainment of student learning and align with the student learning outcomes of each course.

The faculty works consistently and continuously to provide quality instruction in field/internship experiences and in classroom and online settings while engaging with knowledge needed to contribute to the profession.

PROGRAM OVERVIEW

Admission Checklist

Admission to UALR DOES NOT guarantee admission to the Teacher Education Program. ALL candidates seeking state teacher licensure must first be admitted to the School of Education. Listed below are the general requirements for admission. Other specific requirements may apply for each program.

- Formal Admission to UALR.
- Undergraduate programs: Complete Advising and Support Center counselor advisement. Complete specified Core Course Requirements (RHET 1311, 1312; MATH 1302 or 1321; SPCH 1300, or equivalents for most programs) with a C or higher, or an Associate of Science or Associate of Arts Degree.
- Graduate programs: Provide evidence of completion of Bachelor’s Degree of Arts or Sciences from an accredited institution of higher learning or equivalent.
- Meet minimum GPA Requirement (2.70 or higher, as required by individual program; 2.75 for graduate students).
- Attain passing Scores for Praxis Core or other State Approved Standardized Exams (ACT, SAT, GRE, LSTAT, MCAT) (See Appendix A).
- Attend the School of Education Night: Mandatory for All New Students (interested students are encouraged to attend).
- Evidence of approved State, Federal, and Child Maltreatment Central Registry Background Checks

Background Consent Form/Fingerprinting Request:

Arkansas Child Maltreatment Central Registry Background Check Form:

Note, students will NOT be permitted to enter any school setting before obtaining an approved background check status in the Arkansas Educator Licensure System:
https://adeaels.arkansas.gov/Aelsweb/Search.aspx

*Complete the Child Maltreatment Central Registry Check form and the online portion of the Background Check process only. You will have an opportunity to be scanned at the School of Education Night. Therefore, please bring the Background Check Form with your Transaction Control Number (TCN) to the School of Education night.

Conditional Admission

Undergraduate candidates may be admitted conditionally into a program if certain School of Education Admission Requirements are pending. See adviser for accepted conditions.

Graduate candidates will follow the policies of the UALR Graduate School concerning conditional admission. Please contact your adviser for more information.

If you are admitted conditionally, you will sign a “Conditionally Admitted Form” posted on Degree Works with your adviser. Conditionally admitted students must meet all School of Education Admission Requirements prior to enrollment in the next semester.
**Academic Advising**

**Advisers**
Candidates will be assigned to an adviser in the School of Education. Candidates in the minor will have an academic adviser in the content area. Assignment is based on licensure area. Please refer to faculty contact information listed below. Faculty advisers routinely contact candidates during regular advising times; however, faculty schedules vary. Advising may be completed face-to-face, via telephone, or electronically.

Contact your assigned faculty adviser for an appointment if you have questions or if you are requesting a change in the degree completion plan. **Candidates must check UALR email accounts on a regular basis for information about registration and advising.**

It is the responsibility of the candidate to obtain academic advising in mid-Spring for the Summer/Fall terms and in mid-Fall for the following Spring term. Failure to obtain academic advising will prevent registration.

**Clearance for Registration**
Candidates are responsible for ensuring that academic records and program requirements are maintained. The following information is reviewed each semester to ensure the candidate is in compliance with program requirements:

- a signed, dated, and current degree plan;
- completion of co-requisite requirements;
- maintenance of required grade point averages; and
- passing Praxis scores, as applicable.

Communication/Contact Information

Education Program Main Office
The School of Education Office is located on the 4th floor of Dickinson Hall, Room 419. The main office telephone number is 501-569-3124. Office hours are Monday-Friday 8:00-5:00.

Voice mail is activated 24 hours per day, seven days a week. If you leave a voice mail, please leave a clear and complete message, including contact information.

Advising and Support Center (ASC)
The ASC office is located on the 3rd floor of Dickinson Hall, Room 300. The office telephone number is 501-682-8625. Office hours are Monday-Friday 8:00-5:00. For an advising appointment, please schedule your appointment online: ualr.mywconline.com.

Director of Teacher Licensure and Placement
The Director of Teacher Licensure and Placement office is located in the School of Education Office in room 419F. Hours are generally Monday-Friday 8:00-5:00. The director is responsible for field and internship placements with scheduled timeframes at placement sites. For an appointment or questions regarding licensure, please contact this office (501-569-3553)

Email Accounts
UALR student email accounts (http://mail.ualr.edu) are an official means of communicating university-related information. Course and/or school specific information may be sent to Blackboard e-mail accounts. Candidates are responsible for regularly (weekly at a minimum) reading messages in both email accounts.

Personal Contact Information
It is the candidate’s responsibility to maintain current contact information at the university (Office of the Registrar) level. Required department information includes:
- local address,
- home or cellular telephone number,
- work telephone number,
- change in marital status,
- change in name, or
- emergency contact information.

Candidates are responsible for all communication forwarded to them via the provided contact information.

Required Documents
It is the candidate’s responsibility to maintain current and accurate documents. The student will submit appropriate documents to the appropriate office upon admission and by designated date(s). Candidates who fail to report or submit required documentation by the assigned date(s) will be administratively withdrawn; withdrawal may impact field/internship placement and projected graduation date. Administrative withdrawal will also occur for failure to respond to delinquent notifications.

Professional Role
Education is a profession and candidates are expected to communicate with faculty, staff and peers in a professional manner. The following lines of communication are to be followed if there is a candidate concern.
Course:
1. Faculty Instructor
2. School Director
3. CEHP Dean
Professional communication with education programs will be between administration/faculty/staff and the individual student.
PROGRAM COMPLETION
Course Grades & Praxis Requirements

Course Grade and GPA Requirements
Undergraduates must earn a minimum of “C” in each of the following in order to progress in the education sequence:

- General education courses,
- Education courses, and
- Prerequisite and co-requisite courses.

A minimum cumulative GPA of 2.7 at UALR must be maintained in order to progress through the education program; candidates enrolled in the graduate teacher licensure program must maintain a 3.0 GPA.

Praxis Requirements for Internship and Graduation
Candidates who fail to pass the Praxis Content Exam (specific to the area of licensure pursued) will not be permitted to participate in his/her internship. This may or may not impact a student’s graduation date. Candidates who fail to pass the final Praxis exam will not pass the course and will not be eligible for graduation. Candidates planning to graduate in the fall are to take the Principles of Learning and Teaching (PLT) exam no later than October. Candidates planning to graduate in the spring should take the PLT no later than April. Testing in a timely manner supports the graduation process and expedites the licensure process.

Satisfactory Progress
Satisfactory progress in a specific program of teacher education includes maintenance of the appropriate GPA for the level of enrollment (undergraduate/graduate) and adherence to the dispositional requirements for teacher licensure, which are outlined in the Professional Dispositions section of the Handbook.

Course Withdrawal or Failure
If the candidate intends to withdraw from a course or fails a required education course is required to:

1) Contact the faculty member to schedule either a face-to-face meeting or by phone. A candidate who fails to complete the scheduled meeting may be deemed ineligible for reentry, and
2) Sign a new degree plan.

Repeating a course after withdrawing or failing will change the degree plan and can effect the graduation timeline. The School of Education cannot guarantee the availability of courses for candidates who deviate from sequential progression or fail to monitor progress on Degree Works.

A candidate who does not complete the exit meeting with the faculty may be deemed ineligible for reentry.

A candidate will be dismissed from the program if the candidate fails more than one course, including failure of a repeated course.

Program Deviation
A candidate deviates from the program if he/she

- Fails to participate in his/her registered courses,
- Withdraws from a course,
- Fails a single education course one time,
- Declares academic clemency for a semester that includes an education course, or
- Takes a course out of their degree plan sequential progression.

A candidate who deviates must meet with his/her adviser or the program coordinator in person or by phone to negotiate how to proceed based on the individual situation. A Concern’s Conference may be held.
Program Reentry
A candidate is considered for reentry if he/she is not enrolled for one or more full semesters. Reentry into a teacher education program is never guaranteed. A candidate may be considered for reentry if he/she:

1) Has met with his/her adviser for guidance;
2) Is in good academic standing and was not dismissed for professional misconduct;
3) Has 2.7 cumulative GPA at UALR (3.0 for graduate programs);
4) Has 2.7 GPA in undergraduate education courses (excluding education course(s) to be repeated); and
5) Meets current application and admission criteria.

Program Failure
A candidate will not be re-admitted if he/she:

1) Fails more than one education course or education course reattempt;
2) Was dismissed for professional misconduct;
3) Does not meet reentry requirements; or
4) Exceeds the limit for completion of the program.

A candidate who fails more than one education course or education course reattempt is required to attend a Concerns Conference within two weeks of the date of exit.

Concerns Conference
A teacher education candidate who violates any aspect of professional dispositions behavior policies or fails to meet program requirements or placement expectations may be asked to attend a Concerns Conference in order to discuss steps for professional growth. A Concerns Conference may occur at any time during the program. For graduate candidates teaching under a provisional license, decisions made at the Concerns Conference do not take the place of actions by the Arkansas Department of Education regarding licensure. An agreed upon time will be decided for the candidate to meet in person with appropriate personnel, which may include any or all of the following: adviser, university supervisor, Director of Teacher Licensure and Placement, cooperating teacher, and/or Dean’s office representative. Department chair/director as the official representative of the SOE does not attend unless personally involved in the situation.

1. The Concerns Conference will be documented with an opportunity for each attending person to respond in writing.
2. Placement and program modifications will be determined during the Concerns Conference and agreed upon by all attending parties.

Based on the Concerns Conference, any of the following outcomes may occur:

a. required remediation;
b. a lower or failing grade, a grade of "incomplete" (I), or "no credit" (NC);
c. removal from placement to another placement (SEE BELOW);
d. removal from placement without placement in another setting (SEE BELOW);
e. removal from program of study; or
f. ineligibility for educator license.

Records of Concerns Conference proceedings will be housed in the Director of Teacher Licensure and Placement’s Office files

Immediate Removal From Placement
A candidate may be removed from a placement for the remainder of the semester under any of the following circumstances:

1. Engaging in unprofessional conduct;
2. Violation of Ethics for Arkansas Educators listed above (more information can be found at: http://www.arkansased.gov/divisions/human-resources-educator-effectiveness-and-licensure/professional-licensure-standards-board/code-of-ethics-for-arkansas-educators); or
Chalk And Wire

Candidates in School Personnel Preparation programs, including certificate programs, are expected to purchase a Chalk and Wire account and to upload major assignments into the data collection system as directed by course faculty. Please note that failure to upload assignments into Chalk and Wire and/or lack of assessment of the assignments may result in an “I” in the course and will impede successful completion of the program of study. Candidates must complete the e-portfolio appropriate to their program(s) of study prior to graduation and licensure. Tables of Content for both undergraduate and graduate Chalk and Wire requirements appear in Appendix G.

Graduation

Graduation Requirements
UALR Graduation requirements are listed in the Undergraduate Catalog, which can be found at http://ualr.edu/catalogs/undergraduate-catalog/ and in the Graduate Catalog located at http://ualr.edu/gradschool/home/graduate-catalog/

Graduation Timelines
Candidates are responsible for obtaining information pertaining to graduation and meeting all deadlines. If a candidate fails to meet the requirements for graduation in the semester of application, he/she must re-apply for graduation in the semester the requirements will be completed. Candidates must apply for graduation by the date(s) indicated in the Undergraduate Catalog and on the Graduate School website.

Student Grievance Policy

Students will follow the University Grievance Policy found in the UALR Student Handbook, which can be found at http://ualr.edu/deanofstudents/

Licensure Requirements

Completion of a Teacher Education Program leads to a standard education license. Therefore, all Standard License Requirements must be met. Students must pass all required Praxis exams, obtain a C or better in Education Courses, and successfully complete at least one full time internship. The internship requires at least 10 consecutive weeks, Monday through Friday, in the classroom setting. Some education programs require additional weeks and/or semesters of internship. Please contact your adviser for program specifics.

To apply for your license, please obtain and submit the following required documents to the Director of Teacher Licensure and Placement (DKSN 419F) during your final semester. All applications will be held until student degrees are posted. Once the Director submits all required items to the Arkansas Department of Education, the ADE will process the application and, if approved, mail the license(s) to the address provided on the application.

Please email or call the Director of Teacher Licensure and Placement with questions (501-569-3553).

Items required for Licensure:

- ADE License Application, which is available here: http://www.arkansased.gov/public/userfiles/HR_and_Educator_Effectiveness/HR_Educator_Licensure/Educator_License_Application_revised_071113.pdf
- Licensure Application Fee ($75). Pay online: https://www.ark.org/ade-renewal/index.php
- Six required PD certificates through AR Ideas: http://www.arkansased.gov/divisions/human-resources-educator-effectiveness-and-licensure/educator-licensure-unit/renewing-a-standard-
educator license. Once completed, please attach all six to one email and send to the Director of Teacher Licensure and Placement.

* Your background checks must be approved within a year from your licensure application date. You can check your status here: https://adeaels.arkansas.gov/Aelsweb/Search.aspx

Your application will be mailed to the Arkansas Department of Education (ADE). ADE has a 5-12 day turnaround. If you have concerns or questions regarding approval status, call ADE 501-682-4342.
PROFESSIONAL DISPOSITIONS

“Dispositions are the values, commitments, and professional ethics that influence behaviors towards students, families, colleagues, and communities that affect student learning, motivation, and development as well as the educator’s own professional growth” (http://caepnet.org/glossary?letter=D). Professional behavior should be maintained at all times. Failure to maintain appropriate behavior in any setting pertaining to the candidate’s program of study for licensure can be grounds for suspension, dismissal, and/or legal action. Candidates should be mindful of behaviors which could be considered unprofessional. Listed below are guidelines for maintaining professional and ethical behaviors for candidates in a teacher education program.

   c. Unprofessional tone in discussions, which can be perceived as arguing;
   d. Use of text language as formal communication tool.

Ethics For Arkansas Educators

The Code of Ethics for Arkansas Educators defines minimum standards of ethical conduct for all licensed educators. The State Board of Education approved the standards on September 1, 2008. The ADE Rules Governing the Code of Ethics for Arkansas Educators further defines these standards and provides a process for investigating alleged violations.

Standard 1
An educator maintains a professional relationship with each student, both in and outside the classroom.

Standard 2
An educator maintains competence regarding his or her professional practice inclusive of skills, knowledge, dispositions, and responsibilities relating to his or her organizational position.

Standard 3
An educator honestly fulfills reporting obligations associated with professional practices.

Standard 4
An educator entrusted with public funds and property, including school sponsored activity funds, honors that trust with honest, responsible stewardship.

Standard 5
An educator maintains integrity regarding the acceptance of any gratuity, gift, compensation or favor that might impair or appear to influence professional decisions or actions and shall refrain from using the educator’s position for personal gain.

Standard 6
An educator keeps in confidence secure standardized test materials and results, and maintains integrity regarding test administration procedures.

Standard 7
An educator maintains the confidentiality of information about students and colleagues obtained in the course of the educator’s professional services that is protected under state law or regulations, federal law or regulations, or the written policies of the educator’s school district, unless disclosure serves a professional purpose as allowed or required by law or regulations.

Standard 8
An educator refrains from using, possessing and/or being under the influence of alcohol or unauthorized drugs/substances and/or possessing items prohibited by law, or possessing or using tobacco or tobacco-related products while on school premises or at school-sponsored activities involving students.
Who has to abide by the Code of Ethics?
Arkansas law mandates that every person with a valid Arkansas teaching license is required to abide by the Code of Ethics for Arkansas Educators.

Who can file a complaint?
Any person can fill out an allegation form and file it with the Department of Education, school district superintendent, or a public school district, but it must be signed under penalty of perjury.

   - collaboration with another student during the examination;
   - buying, selling, stealing, soliciting, or transmitting an examination or any material purported to be released contents of a coming examination, or the use of any such material;
   - substituting for another person during an examination or allowing such substitution for oneself; or
   - bribery of any person to obtain examination information.
2. Collusion: To obtain from another party, without specific approval in advance by the professor, assistance in the production of work offered for credit.
3. Duplicity: To offer for credit identical or substantially unchanged work in two or more courses, without specific advance approval of the professors involved.
4. Plagiarism: To adopt and reproduce as one’s own, to appropriate for one’s own use and incorporate in one’s own work without acknowledgement, the ideas of others or passages from their writings and works.

Aiding, Abetting, or Concealing Violators
Any student, student organization, or groups of students aiding, abetting, or concealing a violator or violation is subject to disciplinary action.

Alcoholic Beverages
Students shall not drink, dispense, or possess alcoholic beverages on university property or at university functions on campus. However, persons of legal age, as prescribed by state law regarding alcoholic beverages, may possess and consume these beverages in the privacy of assigned rooms in university apartments or houses. Irresponsible behavior while under the influence of intoxicants is not condoned and disciplinary action will be taken.

General UALR/SOE Policies

Americans with Disability Act Compliance
Your success in this program is important to us, and it is the policy and practice of the University of Arkansas at Little Rock to create inclusive learning environments consistent with federal and state law. If you have a documented disability (or need to have a disability documented), and need an accommodation, please contact us privately as soon as possible, so that we can discuss with the Disability Resource Center (DRC) how to meet your specific needs and the requirements of the course. The DRC offers resources and coordinates reasonable accommodations for eligible students.
accommodations for students with disabilities. Reasonable accommodations are established through an interactive process among you, your instructor(s) and the DRC. Thus, if you have a disability, please contact us and/or the DRC, at 501-569-3143 (TTY) or 501-683-7629 (VP). For more information, please visit the DRC website.

Accommodation Requests
The candidate must provide the School of Education with a UALR Faculty Notification Letter for each semester that accommodations are requested. A copy of the notification letter will be placed in the student’s primary office file.

Nondiscrimination
UALR adheres to a policy that enables all individuals, regardless of race, color, gender, national origin, age, sexual orientation, veteran’s status, or disability to work and study in an environment unfettered by discriminatory behavior or acts. Harassment of an individual or group will not be condoned and any person – student, faculty, or staff member – who violates this policy will be subject to disciplinary action. Any person who believes they have been discriminated against should contact the Human Relations Officer to obtain assistance and information concerning the filing of complaints.

Harassment which is considered discriminatory includes actions or conduct (verbal, graphic, gestural, or written) directed against any person or group with the intent to demean or create a hostile or threatening environment.

It is not the intent of this policy to infringe upon or limit educational, scholarly, or artistic expression. At the same time the University prohibits discriminatory practices, it promotes equal opportunity through affirmative action. Nondiscriminatory affirmative action equal opportunity policies apply to: recruitment, hiring, job classification and placement, work conditions, promotional opportunities, demotions/transfers, terminations, training, compensation, choice of contractors and suppliers of goods and services, educational opportunities, disciplinary action, recreational and social activities, use of facilities, housing, and University sponsored programs.

Family Educational Rights and Privacy Act (FERPA)
The Family Educational Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA prevents the School of Education from discussing any student information with any other party except for the student.

Faculty and Department Copyrights
UA Little Rock teacher education programs, course materials, web-based content, and Power Points/other presentations are copyrighted. Candidates may not reproduce, in whole or in part, course content, student policy and procedure manuals, or study materials present by a professor without specific approval in advance by the professor. Publication of any such material shall only be with the express consent of the professor.
FIELD/CLINICAL EXPERIENCES

FIELD EXPERIENCE AND PLACEMENT INFORMATION
This portion of the SPPM focuses on the field and internship (clinical) experiences and provides information designed to help you successfully navigate your School of Education program of study. The length and number of field and internship experiences will vary depending on your program of study, but under the guidance of UALR faculty, you will receive the education and preparation that will equip you to teach each student, regardless of culture, race, language, disability or socio-economic status.

Each teacher preparation program at UALR is designed for specific licensure areas and populations, and candidates may receive additions to this document that pertain to your specific program of study.

Advisers/instructors/university supervisors will provide each candidate with instructions and documents to ensure work is in line with the goals of each placement.

To ensure each candidate moves smoothly through the field and internship experience, please read this portion carefully and follow the directions.

IMPORTANT INFORMATION REGARDING PLACEMENTS:
1. The ultimate concerns of all those involved are those of the children in the classroom. Respect this priority.
2. Placements are a privilege. You are being welcomed into a professional setting and your Clinical Educator (CE) is sharing his or her precious classroom with you.
3. You are a guest and must defer to the CE for classroom standards, procedures, and policies.
4. As an adult in the classroom, maintain a level of professionalism, which encourages mentorship rather than friendship with the students. You are a role model for the students, and not a new friend.
5. Do not engage with any students via personal social media, personal emails, or personal phones.
6. Placements are within schools that meet all accreditation and licensure requirements. You may not be placed in a school where relatives work or attend.
7. UALR makes every attempt to provide you with the best placement fit, but please understand that accreditation and licensure requirements drive our placement procedures. There are many good reasons why you may not be placed in the placement site or with the CE of your choice.
8. Communicate often and consistently with your CE, Adviser, and University Supervisor.
9. For your safety and the safety of students, it is strongly recommended that you have a flu shot every year. (Flu vaccination available at Health Services on campus in November.)

CONTACT THE LICENSURE OFFICER IMMEDIATELY IF:
1. Your placement is not in your area or content for which you are obtaining your license;
2. Your Cooperating Teacher is not licensed;
3. Your Cooperating Teacher leaves you alone as the substitute teacher.
For questions regarding course requirements during all placements, please refer to the Student Handbook and then contact your course instructor.
The following sections regarding placement procedures are intended for all School of Education candidates in the following teaching licensure programs: Elementary, Middle Childhood, Secondary Education, and Special Education. For all other programs, please contact your adviser.

1. Complete State, Federal and Child Maltreatment Central Registry checks. Forms with complete instructions can be found in Appendix B.
2. Please check your status online (see information below).

Your background must have an “approved status” prior to school placements and within a year of your license application.

Please check your current status here: https://adeaels.arkansas.gov/Aelsweb/Search.aspx
You will see the following:

<table>
<thead>
<tr>
<th>Case ID</th>
<th>SSN (Last 4)</th>
<th>Last Name</th>
<th>First Name</th>
<th>Middle Name</th>
</tr>
</thead>
</table>

Only enter your SSN and Last Name. If you have questions, please call Ms. Clara Toney 501.682.4342

3. Once your status is “Approved”, upload the PDF to your profile on Degree Works System.
4. Attend the Mandatory School of Education Night
   a. Fall – First Friday in August
   b. Spring – First Friday in November.

   If admitted to program past the date of School of Education Night, please visit the Advising and Support Center in DKSN 300 (501-682-8625) and complete the Handbook Quiz.

5. Complete the Placement Request Form in the Placement Portal System. Note: Requests will not be made WITHOUT the Approved Status PDF in your Data Portal System profile AND your electronic signature on Placement Policies and Procedures Agreement Form on the Placement Portal System.
6. All requests are due by October 31st for Spring Semester placements and by July 31st for Fall Semester placements. Failure to meet this deadline may impact your ability to secure a placement.
7. You will be contacted by your Field Experience Course Instructor with detailed instructions within the first week of the semester. If you are not contacted, please contact the Advising and Support Center 501-682-8625 or (ASC Website) or your program adviser.
8. Once you are placed, you will be notified via email of your Clinical Educator’s (CE) information.
9. You are expected to contact your CE to arrange your schedule. Always copy your adviser in every email to your CE.
10. Familiarize yourself with your placement school’s academic calendar.
11. Within a week of your placement if not earlier, email your CE to introduce yourself and schedule a time to meet to arrange a schedule for the semester and complete the Field Experience Introduction Email to the University Supervisor (Appendix E).
12. After you have several dates selected with your CE, you must contact your University Supervisor (copy your adviser) to arrange your observation times.
13. If required, complete for each visit a Field/Internship Observation Attendance Record. Your University Supervisor or Program Adviser can provide you with a copy of this document.
SCHOOL OF EDUCATION CONTINUING FIELD PLACEMENT PROCEDURE

UALR/EOE STUDENT SUPPORT SERVICES

Advising and Support Center
The CEHP Advising and Support Center staff are available to assist prospective and current students with any aspect of their education within CEHP programs. From your first contact with UA Little Rock and throughout your experience as a CEHP major, we can help you with Admission to the Academic College, Academic Advising, and Career Services.

Our staff is here to assist undergraduate intended majors and pre-admits to the College of Education and Health Professions and can assist with prospective graduate students.

The Advising and Support Center is located on the 3rd floor of Dickinson Hall in Suite 300. We can help with the following services:

- Admission to the College of Education and Health Professions
- Recruiting
- Academic Advising
- Professional Development Workshops
- Career Guidance and Job Placement Support
- Graduation Checkout

Office hours are Monday-Friday 8:00-5:00.

Prospective students are strongly encouraged to schedule an advising appointment online: ualr.mywconline.com. (Current students, please contact your adviser.)

UALR also provides a variety of student support services. Please refer to specific websites for additional information.

APPENDIX D

PLACEMENT POLICIES AND PROCEDURES AGREEMENT

I have received a copy of the Internship Handbook and understand that it is my responsibility to follow the policies and procedures it contains. In addition, I understand that I am responsible for other information and requests communicated to me by UALR faculty.

As a UALR School of Education candidate, I am expected to…

1. Adhere to Ethics for Arkansas Educator (please see page 9 of the Student Handbook or http://goo.gl/BNkYYL)
2. Although there will always be exceptions, the general expectation is that Interns arrive at least 30 minutes before school starts and depart no earlier than 30 minutes after the end of school. Consistent attendance and clear communication with your adviser and CE is crucial for success.
3. Inform my school, cooperating teacher, university supervisor of any absences at least 30 minutes before the start of the school day;
4. Complete and turn in all documentation in a timely manner (see adviser/instructor for program specifics);
5. Attend all academic, professional development and school-related functions;
6. Dress professionally (e.g. No flip-flops, tight or low cut clothing, or midriff or undergarments showing at any time. Appropriate jeans should only be worn on Friday if the school’s policy allows. Interns will be asked to leave school and change clothes if dressed unprofessionally. Any missed time, must be made-up at a later time.
7. Maintain record of attendance.
8. Respect all school policies. Examples: use of electronics, parking, visitor sign in procedures, dress code, etc.
   a. Note: You should not be on any electronic devices for personal communication at any time during your field/intern experience.
9. Wear your school ID on your UALR lanyard.
10. Fulfill all other placement requirements as outlined in this Student Handbook.
11. Demonstrate a cooperative, respectful and mature attitude at all times;
12. Work professionally with others at all times.

I understand that failing to adhere to these and other Placement Policies and Procedures will result in a mandatory Concerns Conference (please see page 16 of Student Handbook for more information).

FIELD EXPERIENCE INTRODUCTION EMAIL TEMPLATE

Once placement has been secured, try to meet within a week of the first day you will be in your Clinical Educator’s (CE) classroom. With your CE, please discuss and notate the following:

1. **Contact information**, communicate with your CE by his or her preferred method;
2. Your CE’s needs and expectations;
3. Your needs and expectations;
4. The course requirements for student teaching;
5. Calendar issues, schedule your Observation Dates early;
6. Observation expectations;
7. Instructional expectations;
8. **Norms of how you will operate as a team**; and
9. Classroom profile

The student must email his/her University Supervisor with the above information within first two weeks of placement. The student should copy his/her CE on this email to the University Supervisor. This entire process must be repeated for each subsequent field/internship experience.

**M.Ed. in Middle Childhood Education – Initial Certification**

The non-traditional certification master of education degree is offered to those with a degree in an area other than education. This program leads to certification in middle childhood education (math, science, language, and social studies). Each person’s transcript will be assessed on an individual basis and an individual program will be developed. The master of education degree program enhances the general expertise of middle level educators by providing a more comprehensive understanding of young adolescent learners and of the need for a learning environment that is responsive to students’ developmental needs.

Requirements for the degree include a minimum of 36 graduate credit hours, a minimum GPA of 3.0, a portfolio accepted by the committee, and passing scores on all Praxis II examinations required by the Arkansas Department of Education.
Prerequisites for the program include a baccalaureate degree, a content major, and completion of all coursework required by the Arkansas Department of Education or national accreditations agencies in one of the following teaching specialty areas: art, drama/speech, English language arts, life/earth sciences, mathematics, vocal music, health and P.E., and business. Candidates who have completed the baccalaureate degree and lack no more than 12 hours in the specialty area may be admitted to the program and may complete deficiencies concurrently with the master’s program.

In the space to the left of the course number, enter a number (e.g. 3) for any course not yet completed which is a specified element of this program of study. Enter a WV for waived, a T for transfer credits (in which case a Transfer of Credit Request should accompany this form) and an APS for an approved program substitute.

**Hours of deficiencies in prerequisites:**
Deficiencies may be completed with either graduate or undergraduate hours. List any specific deficiencies below or on a separate page.

Appendix G
Undergraduate Table Of Contents
TCED iLab G

Table of Contents

The items in your iLab Chalk & Wire portfolio serve as a basis for your professional portfolio. They should be examples of your best work that showcase what you can do as a teacher. Because all education programs across content areas for K-12 and grade ranges in between such as elementary, middle, etc. use the iLab portfolio; the collection of artifacts are those that span all areas. In addition, there is not one set model for writing a lesson plan (and other artifacts) for your portfolio. You should follow the guidance of your instructor for the course in which you enrolled when you complete the artifact (oftentimes this is your internship course). Typically you will submit each artifact as a course assignment and receive detailed grading and feedback. Next, you should make changes to the artifact before uploading your best work to your portfolio.

A major component of your portfolio is a unit plan. Unit plan assignments may vary across programs; however, they all involve the planning, teaching, and assessment of a unit in an applicable educational setting, typically their internship site. Candidates usually select their lesson plan and technology artifacts from their unit plan. Your teacher work sample artifact is most likely tied to your unit plan because the work sample artifact is the natural extension of the unit plan. The work sample artifact goes beyond developing the unit of instruction to teaching the unit and incorporating results from pre- and post-assessments of student learning into lesson revisions.

### 2.2 Case Study
Upload a case study.

The purpose of this assessment is to document your ability to identify and address specific concerns related to child learning and intervening on those concerns. Your case study should demonstrate your ability to: (a) address individual learning differences, (b) plan and deliver instruction, (c) identify effective instructional strategies, (d) assess the learning environment, (e) assure that the subject’s language issues are resolved, (f) and assess intervention.

### 2.3 Intermediate Level Field Experience
Upload a TESS Formative Evaluation Form completed by your field or clinical supervisor from Internship.

The purpose of this formative assessment is to observe your ability in the field and provide areas for improvement using the TESS Observation used to observe teachers in Arkansas’ schools.

### 2.4 Dispositions
Upload a TESS Formative Evaluation Form completed by your field or clinical supervisor from Internship.

The purpose of this assessment is to document your competencies in creating an environment of respect and establish a culture for learning. Candidates will show high levels of care and respect for all learners and hold high expectations. The assessment uses specific portions of the TESS Observation conducted while you interact with students, families, and professionals.

### 3.0 Capstone

#### 3.1 Technology
Upload a multi-media project (this may be one of, or several lessons, from your unit plan).

The purpose of this assessment is a project based assessment, based on the ISTE standards, to document your ability to evaluate the integration of technology in teaching.

#### 3.2 Unit Plan
Upload a unit plan.

The purpose of this assessment is to demonstrate your understanding of the critical concepts and principles of their discipline and to use discipline specific practices to advance the learning of students. Your case study should demonstrate your ability to: select, assess, and intervene on content according to learner development and measure growth.

### 4.0 Professional

#### 4.1 Teacher Work Sample
Upload the Teacher Work Sample (this may come from your unit plan).

The purpose of this assessment is to document your ability to plan instruction that supports every student in meeting rigorous learning goals by drawing upon knowledge of content areas, curriculum, cross-disciplinary skills, pedagogy, as well as knowledge of learners and the community context.

**Teacher Work Sample Instructions**
Candidate will submit a unit plan (1-2 weeks) taught in the internship with pre-assessment and post-assessment data. The unit plan should include the following elements:

1. **Rationale**—Describe student(s) and setting for the study along with your rationale for instruction.
2. **Learning Objectives**—List the Arkansas State standards with the specific learning objectives appropriate for the unit/lesson being analyzed in the work sample.
3. **Pre-Assessment Measure**—Describe the pre-measure that applied to your lesson planning. Attach copies of student tasks, rubrics, etc.
4. **Daily Lesson Plans**—Include the design for instruction, the lesson plans that pertain to the unit; discuss what your purpose was after the pre-assessment.
5. **Post-Assessment Measure**—Describe your final assessment as it relates to unit learning objectives.
6. **Analysis of Student Learning**—Study the results of your instruction as it relates to the data you collected. Analyze the procedures and results.

7. **Evaluation of Unit Success**—Assess your planning, instruction, and measurement for this activity; draw conclusions about the impact of your teaching and its measurable aspects.

8. **Reflection on Future Implications**—Include a discussion of the impact this study has for future teaching and the value of focused assessments to guide instruction.
