Discussions:

- Discussed the need for a method to notify the Core Council when an existing core course is changed so they have proper notification. The CCF and operating procedures will have to be modified.
- Discussed the need for a procedure to deal with a PCF when there is a large number of CCFs with some CCFs needing to go to the Graduate Council or Core Council and the PCF needs to be approved after the other council's actions.
- Discussed being able to do an electronic vote for approval of minutes when there are no agenda items so that the minutes can be posted in a timely manner.
- Discussed
