

Core Council Report to the Faculty Senate- September 15, 2017

Action Items

1. The Core Council passed the following motion on e-voting that will be sent to the Faculty Senate.

Typically, votes will be taken in meetings. However, there are situations in which the Council is unable to meet at the regular meeting time and routine business requires a vote. In this case the chair, or the chair designee, will conduct an electronic vote. All voting members will be contacted via email and given up to 2 business days to respond to the motion. In order for the vote to be valid a majority of voting members must respond. The majority of those responding determine the outcome of the vote.

Results of an electronic vote, including the number of respondents and the tally, will be added to minutes of the next regularly scheduled meeting.

2. Reminder of assessment timeline:
