1. 3/27/17 Minutes Approved
2. First read: Social Science POLS 2303 Introduction to International Politics
  - a. Changes were requested to show that the course is addressing the foundational theories and concepts in Political Science. The second read of the course is on 4/18/17
3. The wording of the new additions to operating policies as well as to the procedures for changes in Learning Outcomes changes are satisfactory.
4. Future instructions to the CAACs about the common rubrics need to remind them that the entire scale applies to student performance in core courses. Plans for communicating assessment results include putting the reports and our summary of results on the Core Council web page. A feedback form will be provided for those who want to provide feedback about the assessment results or assessment process.
5. May 5<sup>th</sup> is the last meeting and will be at Riveria Maya.
