1. 4/10/2017 Core Minutes – Approved
2. Electronic Voting Process Discussed
Typically, votes will be taken in meetings and are determined by a simple majority of those voting. In the event that the Council is unable to meet at the regular meeting time and there is a pressing matter that requires a vote the chair will hold an electronic vote. All members will be contacted and given at least 2 business days to respond. Emails sent will be marked as urgent. Results of an electronic vote will be added to minutes of the next regularly scheduled meeting.
3. Political Science Course – Approved via electronic voting
