

UNIVERSITY OF ARKANSAS AT LITTLE ROCK

TRANSMITTAL OF FACULTY SENATE LEGISLATION

Faculty Senate legislation is to be submitted to the chancellor to approve or disapprove within ten calendar days after the Assembly review period. The chancellor may approve or disapprove any Faculty Senate legislation within a period from the eleventh through the twenty-fifth calendar day after the Faculty Senate action has been presented to the Assembly, unless the Assembly has been petitioned to amend or rescind the Faculty Senate legislation. In the latter case, the chancellor's approval or disapproval shall be made no later than fifteen calendar days after the Assembly has voted on and failed to approve a motion to amend or rescind a legislative action of the Faculty Senate. The chancellor shall provide written reasons for disapproval to the Faculty Senate.

To the Chancellor of the University of Arkansas at Little Rock:

The following legislation passed the UALR Faculty Senate on March 31, 2017.

Motion FS_2017_6. Credit Hour Policy

Credit Hour Policy (to be appended to Policy 404.11) All credit-bearing courses (undergraduate, graduate, professional), with the exception of courses offered by the William H. Bowen School of Law¹, must adhere to the standards laid out in this policy.

Each credit hour awarded by UA Little Rock is expected to require a reasonable approximation of the Carnegie Standard Hour for student achievement of course learning objectives following common practice in higher education.

Standard Delivery Mode for a Credit Hour

The standard for UA Little Rock will be to award 1 hour of credit for 750 minutes of direct faculty instruction and 1500 minutes of out-of-class time. The 750 minutes of direct faculty instruction per 1 hour of credit includes in-class assessment and exams as well as the final exam period. Each credit hour awarded must achieve this standard as a minimum.

The department/program faculty offering a course is responsible for assuring that the content of that course, as articulated in the course description, course learning objectives, and level of the course, satisfies this standard. It is the responsibility of the department chair (or equivalent) or designee to schedule course meeting times that ensure the required contact time (including deviations below) within the academic semester (fall, spring) and the summer session.

It is the responsibility of the course instructor to deliver the content within the schedule of course meeting times. In the event that scheduled activities cannot be delivered (for instance, snow days, holiday, technological failure, or instructor absence), the department/program faculty has the responsibility for making reasonable accommodations to deliver the content.

Deviations from the Standard:

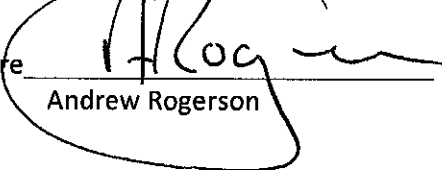

A course that deviates from the Standard (for instance, a course that does not offer a final exam) or that uses a delivery mode other than the Standard (for instance, a laboratory) must indicate the deviation in the syllabus and provide a justification demonstrating how the course will achieve results equivalent to the Standard. A department/program faculty may adopt systematic deviations and equivalencies for alternative delivery modes in lieu of a statement on the syllabi.

¹ The William H. Bowen School of Law is accredited by the American Bar Association Council of the Section of Legal Education and Admissions to the Bar ("ABA"), which has been designated by the Department of Education as the law school accreditation agency to ensure compliance with federal regulations. ABA Accreditation Standard 310 governs the determination of credit hours awarded for coursework and is consistent with federal regulations.
