TRANSMITTAL OF FACULTY SENATE LEGISLATION

(Faculty Senate legislation is to be submitted to the chancellor to approve or disapprove within *ten calendar days* of the Faculty Senate action. The chancellor may approve or veto any Faculty Senate legislation within a period from the *eleventh through the twenty-fifth calendar day* after such action has been presented, unless the Assembly has been petitioned to amend or rescind the Faculty Senate legislation. In the latter case, the chancellor's approval or veto shall be made no later than fifteen calendar days after the Assembly has voted on and failed to approve a motion to amend or rescind a legislative action of the Faculty Senate. The chancellor shall provide written reasons for a veto to the Faculty Senate.)

To the Chancellor of the University of Arkansas at Little Rock:

The following resolution/legislation passed the UALR Assembly on April 21, 2016.

**Motion FS\_2016\_10.** Faculty Senate (Legislation. Requires majority vote at one University Assembly meeting, no second required) Modify the Constitution to enable eVoting for Assembly committees:

**Be it resolved that** the following be added to Article I: Bylaws of the University Assembly of the Constitution of the Assembly of the University of Arkansas at Little Rock:

eVoting: Committees of the Assembly may render decisions on matters of routine business through asynchronous electronic means such as email (hereafter referred to as eVoting) provided the committee follows the approved operating procedures by which it will conduct eVoting. Operating procedures for eVoting must be approved by the Faculty Senate.

The deliberative process is the foundation of sound democratic governance. It is critically important that the use of eVoting is done in such a way that it does not undermine this process.
