

UNIVERSITY OF ARKANSAS AT LITTLE ROCK

TRANSMITTAL OF FACULTY SENATE LEGISLATION

(Faculty Senate legislation is to be submitted to the chancellor to approve or disapprove within ten calendar days of the Faculty Senate action. The chancellor may approve or veto any Faculty Senate legislation within a period from the eleventh through the twenty-fifth calendar day after such action has been presented, unless the Assembly has been petitioned to amend or rescind the Faculty Senate legislation. In the latter case, the chancellor's approval or veto shall be made no later than fifteen calendar days after the Assembly has voted on and failed to approve a motion to amend or rescind a legislative action of the Faculty Senate. The chancellor shall provide written reasons for a veto to the Faculty Senate.)

To the Chancellor of the University of Arkansas at Little Rock:

The following legislation passed the UALR Faculty Senate on October 21, 2016.

FS-2016-31

Whereas the Council on Core Curriculum and Policies presented a policy at the 5/1/2015 faculty senate meeting,

Test out option for core courses:

Every discipline that has a course in the core has to have an option to test out or a plan to develop a test if requested. If a core discipline has a test now it needs to be reviewed to make sure it meets the needs of the core.

And whereas this policy needs to be included in the general education policy by the Faculty Senate,

Therefore be it Resolved to modify Policy 503.3 to add (underline indicates addition, strike-through indicates deletion):

General Education

The UALR Core Curriculum is 35 semester credits. These 35 credits will be divided in the following way: 29 credits in the Standard Core and 6 credits in College Cores. The Standard and College cores together satisfy the Arkansas State Minimum Core. Some colleges, departments or programs may have additional requirements.

Every course in the UALR Core Curriculum must have a test-out option. The test must be reviewed by the appropriate program to ensure that it meets the needs of the UALR Core Curriculum.
