Dean Casey shared that the Graduate Catalog will discontinue paper copies for the 2015-14 academic year, except for copies needed in the Ottenheimer Library. The online version of the Graduate Catalog will be the official document. Cost of printing combined with the large number of copies not picked up by Graduate Program Coordinators facilitated the decision. In addition, a new process for maintaining updates to the Graduate Catalog will be implemented by Fall 2015.

Ms. Carlia Smith, Director of Financial Aid, met with Graduate Council on April 29th to discuss the policies associated with graduate certificate programs and financial aid. The session proved to be very beneficial to members currently working on new graduate certificates in their Colleges.

Respectfully submitted,

Kent Layton, Ph.D.
