Re: Test out Policy

The Core Council discovered that in the move from the previous core to the UALR Standard Core and College Core that there was ambiguity surrounding the test out policy. We have approved the following policy regarding the test-out policy for core courses:

Test out option for core courses: Every discipline that has a course in the core has to have an option to test out or a plan to develop a test if requested. If a core discipline has a test now it needs to be reviewed to make sure it meets the needs of the core.
