TRANSMITTAL OF FACULTY SENATE LEGISLATION

(Faculty Senate legislation is to be submitted to the chancellor to approve or disapprove within *ten calendar days* of the Faculty Senate action. The chancellor may approve or veto any Faculty Senate legislation within a period from the *eleventh through the twenty-fifth calendar day* after such action has been presented, unless the Assembly has been petitioned to amend or rescind the Faculty Senate legislation. In the latter case, the chancellor's approval or veto shall be made no later than fifteen calendar days after the Assembly has voted on and failed to approve a motion to amend or rescind a legislative action of the Faculty Senate. The chancellor shall provide written reasons for a veto to the Faculty Senate.)

To the Chancellor of the University of Arkansas at Little Rock:

The following resolution/legislation passed the UALR Faculty Senate on October 24, *2014*.

Motion FS_2014_29: Executive Committee (Recommendation. Majority vote at one meeting) eVersity Campus Governance (no second required; suspension of the rules required to add to the agenda within a week of the meeting, 3/5 majority required)

The Faculty Senate recommends that the Chief Academic Officer inform the University of Arkansas System President of UALR's desire to have a faculty member participate in Phase 1 of the eVersity Academic Governance Council.

Commentary: This motion does not indicate endorsement of the content of the eVersity's Academic Governance Council nor does it acknowledge the legitimacy of such a Council. However, it would be prudent at this time for UALR to have representation on this Council.
