1. 9/17/2018 Minutes – Approved
2. First read of Math request to remove MATH 1303, 1342, 1451, and 2350 from Core Curriculum
 - a. Math department wants to leave Quantitative Reasoning, College Algebra, and Pre-Calculus in the Core Curriculum for Math.
 - i. Any Math that requires these three courses as a prerequisite will be sufficient in fulfilling the Math core requirement
 - ii. Math will provide a list of Math courses that are higher than the above three that satisfy the core requirement. Some courses will satisfy the Math core requirement and their prerequisite has a prerequisite of Quantitative Reasoning, College Algebra, or Pre-Calculus.
 - b. College of Business is fine with these changes
 - c. The Math department and Advising have met and agree with these changes
 - d. Other schools with ABET accreditation do their Core Math requirement like this (Arkansas State, University of Arkansas at Fayetteville, and Arkansas Tech)

- e. Advising, Transfer Student Services, and the Provost Office would like a list of courses that are higher than the three Math courses left in the Core and fulfill the Core Math requirement
3. Update on Assessment Reports
 - a. Many groups have submitted their report for fall
 - b. Spring reports are almost done
 - c. Social Sciences, Fine Arts, and Written Communication need to submit their reports for fall
 4. Course Review Process
 - a. FS legislation about Core Council being charged with reviewing core courses has been inserted into the google form
 - b. Google form was discussed and will be revised
 - c. The Core Course review schedule is being revised
