Order of Candidate Information

Bachelor's Degree • Master's Degree • Doctorate • Major Professor • Title of Dissertation

Fadwa Al Azzo

B.S., Electrical Engineering/Electronics and Communication, University of Mosul, Mosul, Iraq
M.S., Remote Sensing/Geology, University of Mosul, Mosul, Iraq
Ph.D., Engineering Science and Systems with a Concentration in Telecommunications and Networking Engineering
Dr. Mariofanna Milanova
Human Action Recognition in Video Surveillance System

Entidhar Alkuam

B.S., Material Science, University of Technology, Baghdad, Iraq
M.S., Space Technologies and Communications, University of Technology, Baghdad, Iraq
M.S., Applied Science, University of Arkansas at Little Rock
Ph.D., Applied Science with a Concentration in Applied Physics
Dr. Haydar Al-Shukri
Fabrication and Characterization of Nanostructure Cadmium Sulfide in Dye Sensitized Solar Cells

Aqiel Almamori

B.S., Electronics and Communications Engineering, Al-Nahrain University, Baghdad, Iraq
M.S., Electronic and Communications Engineering (Modern Communications Engineering), Al-Nahrain University, Baghdad, Iraq
Ph.D., Engineering Science and Systems with a Concentration in Telecommunications and Networking Engineering
Dr. Seshadri Mohan
Enhancing Spectral Utilization of 5G with Massive MIMO through Pilot Assignment and CSI Estimation

Ashely Anderson

B.S., Chemistry, Grambling State University, Louisiana
Ph.D., Applied Science with a Concentration in Applied Chemistry
Dr. Brian Berry
Novel Self-Assembly of Fullerene-Based Dyads

Doga Demirel

B.S., Computer Science, University of Arkansas at Little Rock
M.S., Applied Computing, University of Central Arkansas
Ph.D., Computer and Information Sciences with a Concentration in Computer Science
Dr. Dirk Reiners
Design of Virtual Interactive Simulations for Surgical Training

M.S., Systems Engineering, University of Arkansas at Little Rock
Ph.D., Engineering Science and Systems with a Concentration in Telecommunications and Networking Engineering
Dr. Mariofanna Milanova
Design Synthesis of Flexible Antennas using Artificial Neural Network

Muhammad Asim Khan

B.S., Electrical Engineering, University of Engineering and Technology, Peshawar, Pakistan
M.S., Engineering Management, University of Engineering and Technology, Peshawar, Pakistan
M.S., Project Management, George Washington University, Washington, DC
M.S., Information Quality, University of Arkansas at Little Rock
Ph.D., Computer and Information Sciences with a Concentration in Information Quality
Dr. John R. Talburt
A Methodology for Rapid Deployment of Shared Cohort Discovery System with Integrated EHR To Enable Federated Health Data Governance

Diamond Lee McGehee

B.S., Biology, Henderson State University
M.S., Applied Science, University of Arkansas Little Rock
Ph.D. Applied Science with a Concentration in Biosciences
Dr. Mariya Khodakovskaya
Regulation of Plant Secondary Metabolism by Carbon-Based Nanomaterials

Monica Christine Meadows

B.S.E., Social Studies, University of Central Arkansas
G.C., Curriculum/Program Administration and Supervision, University of Arkansas at Little Rock
M.Ed., Teaching the Gifted and Talented, University of Arkansas at Little Rock
Ph.D. Educational Administration with a Concentration in Gifted and Talented
Dr. Ann Robinson
Gender Differences in STEM Sense of Belonging for Academically Advanced Middle School Students

Yu Nie

B.S., Industrial Engineering, Xi'an Jiaotong University, Shaanxi Sheng, China
M.S., Management Science and Engineering, Xi'an Jiaotong University, Shaanxi Sheng, China
Ph.D., Computer and Information Sciences with a Concentration in Information Quality
Dr. John R. Talburt
The Impact of the Chief Data Officer on Firm Performance

Brenda Faye Prochaska

B.S., Criminal Justice, Northeastern State University, Oklahoma
M.S., Criminal Justice, University of Arkansas at Little Rock
