To the Chancellor of the University of Arkansas at Little Rock:

The following legislation passed the UALR Faculty Senate on 02/22/2019.

FS_2019_6 Guidelines for Appointment of University and Distinguished Professor.

Be it resolved to approve the guidelines for the appointment of University and Distinguished Professor as follows:

Guidelines for University and Distinguished Professor Appointments

1. Background

UA Little Rock acknowledges outstanding faculty through conferring the honorific titles of "University Professor" and "Distinguished Professor." Appointment as University Professor or Distinguished Professor is a high honor reserved for only the very best faculty in recognition of sustained excellence in the performance of their duties, as outlined below. The appointments described in this document are strictly honorific and are not intended to be construed as academic or financial promotions.

A. Substantive Criteria – University Professorship

Appointment as University Professor is a special honor conferred only upon active faculty in recognition of an extended period of exemplary service in a spirit of collegiality to the UA Little Rock, and a combination of service in their profession and to the public through their professional activities. In order to achieve this distinction, faculty members must, in addition to having an extended period of documented exemplary service to the university, have gained wide recognition at the national or international level for their sustained excellence in service, teaching, research or creative activity germane to their respective disciplines and academic roles while serving as a member of the faculty of the university.

Eligibility for designation as University Professor is limited to active tenured faculty who hold the rank of Professor. Generally, a candidate is expected to have served in the rank of professor at

the UA Little Rock for 10 years before nomination. Sitting administrators are not eligible to be nominated for appointment to University Professor. For the purpose of this policy, individuals who have held, or are holding, positions that carry an administrative appointment that is greater than fifty percent (50%) are considered to be administrators and should be three years removed from that position before nomination.

B. Substantive Criteria – Distinguished Professorship

Appointment as Distinguished Professor at UA Little Rock is a special distinction that is reserved for those individuals who are recognized nationally and/or internationally as intellectual leaders in their academic disciplines as a result of extraordinary accomplishments in research, teaching, published works, creative activities in the arts or endeavors of similar merit in other venues. Individuals may have gained such distinction at this university, another university or other venues.

Appointment as Distinguished Professor shall only occur when clear indication exists that an individual so appointed will continue to provide exemplary academic and intellectual leadership and continue his or her professional activities in such a way as to maintain national and international recognition and a commensurate level of accomplishment.

Eligibility for designation as Distinguished Professor is limited to active tenured faculty who hold the rank of Professor, the title University Professor, or incoming faculty who will be awarded tenure and who hold credentials of similar merit from another university or other venues.

2. Policies and Timing

Nominations for appointment to University and Distinguished Professor will follow the applicable policies in Board Policy 405.1 and as well as the established timeline for promotion identified in UA Little Rock Policy on Promotion and Tenure. (403.15).

The tenured and tenure-track faculty of each school or college and each unit shall establish and include in the approved governance documents, substantive criteria and procedures for use in considering nominees for University or Distinguished Professor within that college or school and unit. Unit criteria shall not be in conflict with, nor less rigorous than, the criteria for appointment as University or Distinguished Professor noted in this document. Unit criteria are subject to approval consistent with all revisions to college or school and unit personnel documents under university policy.

3. Documentation/Dossier

The candidate must complete the supporting materials required by UA Little Rock, and any additional materials that may be required by the unit.

The information supplied should be sufficiently detailed so that a candidate can be evaluated in terms of both sustained superior performance as outlined in the background section and the potential for continued superior performance.

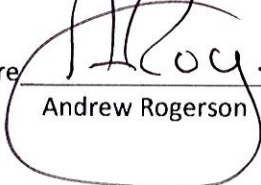

4. Process

- a. Any UA Little Rock faculty member holding the rank of Professor may nominate himself or herself for appointment as University or Distinguished Professor. Alternatively, any tenured or tenure-track member of the faculty or the department chair of the unit may nominate a Professor for appointment as University or Distinguished Professor. A letter of nomination must set forth the achievements of distinction that warrant the appointment and must be submitted to the appropriate departmental authority.
- b. For faculty members with affiliations with multiple colleges, such nominations shall be considered in the department and college or school where the nominee has the greatest percentage of, or principal appointment. Faculty with appointments equally divided among two or more colleges or schools shall be considered by the college or school within which they hold tenure, but in the course of such review the views of the other appointing schools or colleges shall be sought and considered.
- c. The campus form for tenure and promotion must be completed.
- d. All tenured faculty in a unit are eligible to vote for individuals being considered for University or Distinguished Professor,
- e. All nominations of university and distinguished professors will be reviewed by the Executive Vice Chancellor and Provost.
- f. At any point prior to the Chancellor's recommendation, the nominee may withdraw his/her name from further consideration.
- g. Continuing appointment as a University or Distinguished Professor follows the right of continuous appointment as outlined in Board of Trustees Policy 405.1.
