

Core Council Report to the Faculty Senate April 30, 2021

1. All of the disciplines covered by the SKIM legislation were sent a questionnaire in March about their current learning objectives and assessment plans for the SKIM goals. We received responses from all areas and the results can be viewed here: [SKIM Survey Results](#)

The Core Council will use this information for plans about how to support these efforts in the future.

2. The reporting forms for Core Assessment are finished. Assessment reports for core assessment are due on September 27, 2021. Curricular Areas with Knowledge Educational Goals will submit reports. The assessment cycle can be found at: <https://ualr.edu/facultysenate/future-plans/>
