

Initiative	Location	Budget	Anticipated Timeline	Installation	Materials	Notes
Signage above Starbucks	Diamonds in top of bldg	Approximately \$200	Summer 2021	Facilities Mgmt	Vinyl; Strong, but not permanent adhesive	Communications & Marketing created 8 designs for review which are attachment below. CBC to vote/choose favored design. University Print shop to print, if possible. Adhere by strong magnets or adhesive velcro to enable other designs to be substituted for other causes, if desired.
Rehab of Fountain	"Alley" between University Theatre and Stabler Hall	Approximately \$4,000???	Fall 2021			Engineer to investigate fountain rehab and prepare itemized cost listing to make it functional again. This would, hopefully, be stage one of a multi-stage/year project to turn that 'alley' into a multi-sensory space for the beautification and enjoyment of all campus citizens as well as public who come to campus for events in the University Theater.
Plant flowers around trees	Walkway between Ottenheimer and	App \$500.00	Install on Earth	Campus		Pictures of tree area below. Message from The Good Earth garden center: They said that Arkansas
Beautification.	Sidewalk area of Campus Drive South between University Village Apartments and DSC	\$200.00	Spring 22		Power Wash; paint; stencil	More attractive pedestrian path to stimulate motivation and increase student morale.
West side of University Avenue cleanup	University Avenue	----	Summer/Fall 21	Facilities Mgmt		Clean up the gravel, trim the trees (and suckers), remove trash, fill the ditch and remove the caution tape, etc.
2nd Annual Student Mural Competition	TBA	----		Facilities Mgmt to prep surface, potentially.		Have in mind to make this one outside. Potentially a bigger project, so more expensive in materials. Are in negotiation with Sustainability Committee to fund part/all. Not asking for funding at this time. As this project progresses in the Fall, maybe we can explore outside funding for an annual contest?
