International Baccalaureate (Undergraduate only)

At least twenty-four (24) semester credit hours shall be granted entering freshman students who have successfully completed the International Baccalaureate Diploma Program.

If a student's IB curriculum has a subject at the Standard Level, and, by means other than the IB, the student gains credit for a UA Little Rock course that is mapped to the same subject at the Higher Level, then such credit does not count toward the minimum 24 credits granted for the IB.

Because UA Little Rock awards a minimum of 24 credits when it accepts the IB diploma, any extra credits that are not assigned to specific UA little Rock courses by other means shall be awarded as general lower level elective credit.

Correspondence Credit¹ (Undergraduate only)

That a maximum of 15 semester hours of credit by correspondence be applied toward an undergraduate degree. To qualify for university credit, a correspondence course must be approved by the UALR department and signed by the chair in which the course is being offered. Applicability of correspondence courses to a specific major or minor will be determined by the department and signed by the department chair in which the major/minor is being offered.

Transferred courses without credit hours

In cases where an accredited college or university has granted recognition by no academic credit hours for a course, UALR will not grant academic credit for the transferred course; students may consult the department offering the equivalent course on campus regarding the possibility of a course substitution/waiver.

Articulation Agreements

All articulation agreements regarding transfer of credit beyond the core require approval by the individual academic unit/department level affected by the agreement plus the normal approval
