To the Chancellor of the University of Arkansas at Little Rock:

The following recommendation passed the UALR Faculty Senate on Friday, August 26, 2022

FS_2022_22. Amend Class Attendance and Withdrawal Policy

Withdrawal for Non-Attendance, Non-Payment, or Emergency

It is the responsibility of a student not intending to attend a class or classes to withdraw before the 10th day of class (or equivalent date for non-full-terms) in order to receive a full 100% tuition adjustment. In some situations, the student may be administratively withdrawn by the university if ~~On or before the 10th day of classes, students who~~ they have not-attended class or ~~who have~~ not met their payment obligations. ~~will be administratively withdrawn.~~

Additionally, sStudents may be withdrawn from a class by the instructor at any time during the semester due to extenuating circumstances, such as medical or family emergencies or excessive absences. Students must be notified that they will be withdrawn from a class, and may appeal that action through the grade appeal process, provided that they file the appeal within five business days of the notice. The withdrawal will not be final until the appeal is completed, and students may continue to participate until the final decision is made.

Student and Administrative withdrawals are subject to the tuition adjustment schedule established in Policy 303.3 and available each term on the Bursar's website under refunds.
