To the Chancellor of the University of Arkansas at Little Rock:

The following resolution/legislation passed the UALR Faculty Senate on January 23, 2015.

Motion FS_2015_4: Graduate Council (Legislation. Majority vote at one meeting.) Improve Conditional Admission standards

Replace the current policy* for Conditional Admission in the Graduate Catalog with the attached proposed policy** for Conditional Admission.

Conditional (degree-seeking): supplied all admission materials; did not meet all admission requirements. Test scores, grades in the undergraduate major, or other pertinent data must indicate the student will perform satisfactorily in Graduate School. *The student will be required to fulfill the condition imposed by Graduate School as well as any other requirements imposed by the graduate program in which the student will be enrolled. The Graduate School condition is: The student has a cumulative GPA of 3.0 or higher during the first 9 graded hours.*

In computing the above GPA, less than 9 hours cannot be used. A graded hour is defined as a regular, instructor-led course hour, and cannot include a dissertation or thesis research hour, an independent study hour, or a similar non instructor-led course hour. The conditional status of the student will be converted to regular admission only when the above condition and any conditions imposed by the program are met. Regardless of whether the student satisfies one or more conditions, the student will be dismissed during the first 12 9 hours if GPA is not above 3.0 or higher. ~~satisfactory progress is not being made toward this GPA.~~ Applicants dismissed from, on probation, or otherwise not in good standing in another graduate or post-graduate program will not be admitted. All conditions (imposed by the Graduate School and the graduate program) will be stated in the admission letter sent to the student qualifying for conditional admission.
