**Other Business:** PhD form caused a course to be deleted that they need. It is possible to un-delete a course if the council approves the “un-deletion.” *Approved*

Reports need to go out regularly to the faculty senate. This was done back when the process was on paper, but it was dropped when the process become electronic. Anne Lindsey sent a summary of business handled this year to the faculty senate, and will continue to do so.

**Dean's Report:** Graduate faculty status is a requirement for teaching graduate course and serving on committees. Council members need to let their college committee members know about this requirement. The master list of people who have graduate faculty status will be distributed to the coordinators and possibly posted online.
