Open Forum

- Early Entry Discussed with need to allow undergraduate students the ability to double major on the undergraduate level. Dana Steele and Malissa Mathis will work on getting with the group needed to discuss this problem and come up with options. There is one student in Annie Childers program that we will use as a test for the priority 3 that is outside of our BANNER set of 2.
- IP/I COUN Internship grades. Department has questions and possible issues. Brian Berry will meet with the department/program to see if he can address their concerns and come up with a possible solution. We will revisit this next term.
