5. Dean's Report: 1) Dr. Tom Guyette, chair of Audiology/Speech Pathology program was introduced. He talked about the PhD in Communication Disorders which is in discussion with ASU, UCA, and UALR (UAF has withdrawn) and the revision of the MA in Communication Disorders. ADHE proposal is almost ready. Council should have the program changes in March. 2) March 8 there will be a Science & Technology Day Open House with DCISSE, CSAM, and Graduate School contacting chairs, faculty and students in science, engineering and math departments from 16 colleges and universities to participate. We are scheduling poster sessions and other points of interest to prospective students in these programs.

Meeting adjourned at 4 p.m.

(next scheduled meeting is set for February 27, 2002)
