Metcalf, Laura PhD Assistant Professor, Speech Communications (CPS)

Report of Program Review Sub-Committee *none*

Other Business: The information about thesis due dates in online – except there is no information about summer due dates. Thesis due date information will be e-mailed out to all the coordinators.

Dean's Report: Quality control issues: have sent out about 50 e-mails mostly about people teaching graduate classes without graduate faculty status. In general the responses have been positive. We may need to have one more meeting after the 29th if there is a flood of personnel items.
