Dean's Report

- ARGOS is being rolled out in all departments.
- Official data from ARGOS pulls from OIR, which is the official data of UALR, so all reports will pull data from the same data.
- All forms are being slowly moved to ARGOS.
- ARGOS will be utilized effective November 1 for applications and data retrieval.

Open Forum

- Student Research & Creative Works Expo is on April 11, awards are on April 18. Registration will open in the next few weeks.
- Don't delete courses because once a course is deleted that number is gone and cannot be used again. Suspension is recommended.
- Course number availability can be checked via ARGOS once the data is put in.
- ARGOS access can be requested through the Graduate School.
