### **Report of Personnel Sub-Committee**

Committee will meet September 21, 2005.

### **Report of Program Review Sub-Committee**

#### **Other Business**

Representation is expected when curriculum matters are taken up by either the curriculum subcommittee or the full council. In the event that any question arises when no representation is present, the items will be tabled..

#### **Dean's Report**

The dean announced plans to form an advisory council for research.

An electronic letter was sent to the campus announcing the availability of travel match funds, the upcoming workshops, and an invitation to sign up for the SMARTS database.

The graduate school recruiting trips will begin soon. Shannon Clowney is the contact person for anyone interested in participating.
