Total hours remaining for completion of minor/ 2<sup>nd</sup> major

This form serves as a preliminary assessment of the requirements for a degree or as a contract listing the remaining requirements for the degree when signed by all parties. The listed requirements are for the major/minor specified on the degree plan. If your major or minor changes or your enrollment is interrupted for more than five years, a new degree plan must be filed. All UALR colleges other than DCEIT have additional core requirements. To determine the deadline for filing your graduation application, consult the Schedule of Classes.
