

## About Respondus Lockdown Browser for Students:

You are required to use **Respondus Lockdown Browser to complete this test**. You must first download RLDB from the following link:

<http://www.respondus.com/lockdown/information.pl?=536413901>

After installing RLDB you will need to close all other open programs. Open the Lockdown browser by clicking the icon on your computer's desktop and login to Blackboard.

You can then navigate to the course and access the test. When you click on the test, allow the test to load, and you may begin your test. **Important:** If you receive a pop-up message asking whether or not the instructor has provided a password select **NO** and then you will be able to begin the test.

For more information visit the Student Support Website:
