

Dear friends and colleagues,

Bowen is devoted to providing true legal education. That education led me to an enjoyable and satisfying career in public service. I've also made lifetime friends as both a student and an alum.

The school has a truly incredible mission—with its three core tenants being access to justice, public service, and professionalism. My career has been devoted to public service, so that aspect is particularly near and dear to my heart.

HELP FUND THE BOWEN HOLIDAY WISH LIST

- Improve bar pass rates with AdaptiBar.
- Build bridges with the Racial Justice & Equity Initiative.
- Increase access to justice through a Public Interest Fellowship.
- Promote advocacy in the Rural Practice Incubator.
- Support students using the Emergency Aid Fund.

UA LITTLE ROCK
WILLIAM H. BOWEN
SCHOOL OF LAW

I wanted to make sure that I give back to the school because of what it did for me. I've worked with the Arkansas Municipal League since 1989; starting as a litigator, later moving into the role of General Counsel and Director of Legal Services, and now serving as Executive Director since August 2018.

It is imperative we keep the debt load low for current and future students. The generosity of the donor and alumni network ensures that Bowen can be an affordable reality. Please join me in giving back to the school so that student scholarships and programs are possible, just as our careers were made possible.

Your tax-deductible donation will provide needs for students and programs that would not otherwise be made possible. Won't you act now to help us meet our goal of at least 100 donors by December 31?

Join me, and together we can provide students with the gift of education. Give to the Bowen Wish List here: <https://wishlist.ualr.edu/r/gdvpeSmK2>

MARK HAYES, '86
EXECUTIVE DIRECTOR, ARKANSAS MUNICIPAL LEAGUE

If you have already given, thank you. Please help us by spreading the word on social media to provide our students with the best because they deserve the best.

Happy holidays,

Mark Hayes, '86
