

## Early Entry Program Form

### Application for the Early Entry to GC in Applied Statistics Program

Name \_\_\_\_\_ T Number \_\_\_\_\_

Overall GPA \_\_\_\_\_ GPA in Major \_\_\_\_\_

Advisor \_\_\_\_\_ Total Hours Completed \_\_\_\_\_ / \_\_\_\_\_  
(University/Major)

Courses remaining in major:

Course prefix, number, and brief title	Term to be completed	Graduate Equivalent

I understand that if accepted into the Early Entry program that I will have provisional acceptance status in the graduate program, pending the award of the baccalaureate degree.

- It is expected that at least 90 hours of undergraduate coursework will have been earned by the time the first graduate course is taken.
- No courses taken before admission to the graduate program may be applied to a graduate degree. A maximum of 12 graduate credits can be counted towards satisfying both the BS/BA and GC degrees.
- Early-entry students must finish their baccalaureate degrees before they complete 15 hours of graduate coursework.
- Early-entry students will be subject to the same policies that pertain to other matriculated graduate students.

\_\_\_\_\_ Student's Printed Name                      Student's Signature                      Date

I have examined the student's application, and I approve acceptance into Accelerated BS/BA to MS program in Mathematics.

\_\_\_\_\_ Mathematics Graduate Coordinator

\_\_\_\_\_ Chair, Mathematics and Statistics
