DID YOU KNOW
united way does more than just raise money?

Children's Christmas Luncheon

The Heart of Arkansas United Way partners with Playtime Pizza to create a magical holiday luncheon for economically disadvantaged children in the Little Rock, North Little Rock, and Pulaski County Special School Districts. Each child receives a Playtime Pizza game card, a stuffed animal, a gift to open on Christmas and a photo with Santa.

Back to School Blitz

The United Way and THV11 Back to School Blitz is a week-long school supply drive held in August each year to provide school supplies to low income students. This program is in partnership with area school districts, the Helping Hand of Greater Little Rock and Walmart. It provides students in grades K-6 with a backpack full of school supplies to start the year off right.

How we serve our community

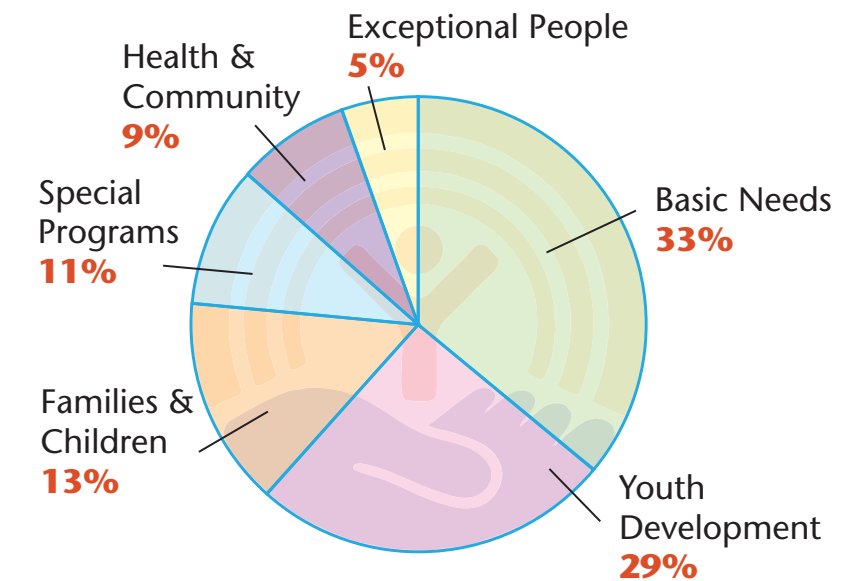

When we think outside ourselves we have the power to facilitate change. We build strength in our neighborhoods. We bolster the health of our communities, and we change the lives of those who walk by us every day.

The Heart of Arkansas United Way has Categories of Community Investment from which we fund programs that provide an innovative impact in the community. You can designate your gift to help fund the area of your choice.

Matching opportunities

The Siemer Institute for Family Stability will match up to \$100,000 in gifts designated to the Central Arkansas Family Stability Institute (CAFSI) at Our House, a program that seeks to prevent homelessness among at-risk families. For more information on the CAFSI program at Our House call 501-374-7383 or visit www.ourhouseshelter.org/CAFSI.

The United Way federated agencies listed in this brochure are annually reviewed for compliance with state and federal legal reporting and budgetary obligations.

Donors may also, if giving through our United Way, write in/designate their gift to ANY CHARITY OF THEIR CHOICE. A designated charity must have a publicly available address and tax-deductible listing: The United Way will verify that status but will not perform a review of the specified agency. If we cannot verify an organization, every effort will be made to inform the donor. If we cannot identify an agency or donor contact, the funds received will be directed to the United Way Community Investment Fund.
