FB-24-026: Consulting Psychiatrist QUESTIONS AND ANSWERS

Responses are below in **RED**

Q: In reference to Section 2.1.A.b, "Relevant experience with college-age populations", can this requirement be solely applied to our proposed psychiatrist or is this requirement applied to the organization's experience?

A: Yes, the requirement may be solely applied to the proposed psychiatrist. If the organization has relevant experience, please include that as well.

Q: In reference to Section 2.1.D.b.i, "Thoroughly describe your education and qualifications not listed on your resume that outline and highlight your achievements in higher education psychiatry", if an organization is submitting a response are you expecting the organization to describe the qualifications of the proposed psychiatrist? or Can the organization highlight their overall achievements as a part of their cover letter?

A: Yes, describe the qualifications of the proposed psychiatrist. The organization may also highlight their overall achievements as part of the cover letter.
