

QUESTIONS AND ANSWERS

Responses are below in **RED**

Section 2

- Can you confirm that the clear sides are a necessity?
 - **The clear sides are not necessary. Opaque or solid is acceptable and will be considered for the bid responses.**
- In the bid request you state that the cabinet must include gloves, rescue breathing barrier device, alcohol pads and instructions. Quantities of these items are not specified however.
 - **Minimum Quantities for gloves (1 pair), rescue breathing barrier device (1), alcohol pads (2), and instructions (1).**

- Is a reusable breathing barrier in a hard carry case what you had in mind?
 - **Yes**
- A small custom box of 10 pairs of fentanyl resistant, nitrile gloves: is this the type of glove you want?
 - **Yes**
- Are you looking for a box of gloves of a specific quantity?
 - **Minimum requirement is one pair of gloves. A box of 10 fentanyl resistance gloves is acceptable.**
- The AED Marking Package: a tear pad of instructions to include in this cabinet and modify to include information on how to recognize signs of an overdose. Is this suitable?
 - **Yes. Must be included in the cabinet.**
