

## **QUESTIONS AND ANSWERS**

Responses are below in **RED**

### **Section 1**

**N/A**

### **Section 2**

**Q. Section 2.1** Are you able to provide a number of buildings?

**A. UA Little Rock maintains 57 campus buildings and facilities.**

**Q. Section 2.2** Are you able to provide an approximate bin count/bin type and service frequency?

**A. Bin type should be Standard Shred and Mini Consoles with a capacity of either 75 lbs. OR 100 lbs. Currently, there are approximately 7 departments using shredding services, but ad-hoc services may be requested by other departments as needed. Service frequency should be at least once a quarter OR as needed.**
